Books for the registration and transfer of the Bond shall be kept by the Registrar. Upon the surrender for transfer or exchange of a Bond at the principal office of the Registrar, duly endorsed or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar shall authenticate and deliver, not more than three (3) business days after receipt of the Bond or Bonds to be transferred, in the name of the transferee or owner a new Bond or Bonds in fully registered form of the same aggregate principal amount, maturity and interest rate, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds shall be without charge to the owner or any transferee, but the Registrar may require the payment by the owner of any Bond of any tax or other similar governmental charge required to be paid with respect to such exchange or transfer. The Registrar shall not be required (i) to transfer or exchange any Bond during the period of fifteen days next preceding the mailing of notice calling any Bonds for redemption, or (ii) to transfer or exchange any Bond or part thereof called for redemption. The Registrar will close books for change of registered owners' addresses on each Record Date; transfers will be permitted within the period from each Record Date to each interest payment date, but such transfers shall not include a transfer of accrued interest payable.

The person in whose name any Bond is registered on the registration books kept by the Registrar shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes except as may otherwise be provided with respect to payment of interest in the Bond Ordinance; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner

68

thereof or his legal representative. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar will, upon receipt of such Bond, if mutilated, and such evidence, information or indemnity relating thereto as the Registrar may reasonably require, if lost, stolen or destroyed, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity and interest rate, bearing a number or numbers not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured or have been called for redemption, the Registrar may direct the Paying Agent to pay such Bond in lieu of replacement.

This bond does not constitute an indebtedness of the County within the meaning of any constitutional or statutory provision or limitation, shall not be considered or held to be a general obligation of the County, and is payable and collectible solely out of proper Pledged Revenues as set forth in the Bond Ordinance and the owners of the Bonds may not look to any other county or municipal fund for the payment of the principal of and interest on the Bonds. Pledged Revenues, as used in this bond, means, primarily, (i) a pro rata share of the distributions received by each fire district of the County for which a Project is being acquired and constructed pursuant to Section 59A-53-7 NMSA 1978 ("Fire Protection Fund Distributions") and, secondarily (ii) the amounts of money all of the revenue attributable to the first one-eighth of one per cent increment of the County gross receipts tax transferred to the County pursuant to Section 7-1-6.13 NMSA 1978 and any distribution related to the first one-eighth of one percent made pursuant to Section 7-1-6.16 NMSA 1978, which County gross receipts tax is imposed on all persons engaging in business in the County pursuant to Ordinance No. 6 adopted and approved on June 2, 1987, as amended by Ordinance No. 8 adopted and approved on November 20, 1989, and as authorized by Sections 7-20E-1 through 7-20E-18, NMSA 1978, (1) which tax equals, subject to the exemptions specified in Section 7-20E-5, NMSA 1978 and the exemptions and deductions referred to in Section 7-20E-7, NMSA 1978, one-eighth of one per cent of the gross receipts of all persons engaging in business in the County for the privilege of engaging in business in the County, and (2) which amounts are collected and, after any deductions for administrative costs and any disbursements for tax credits, refunds and the payment of interest applicable to such gross receipts tax and subject to any increase or decrease pursuant to Section 7-1-6.15, NMSA 1978, are distributed monthly (together with the balance of the County's gross receipts tax) by the Revenue Division of the Taxation and Revenue Department of the State of New Mexico to the County pursuant to Sections 7-1-6.13 and 7-1-6.16 NMSA 1978 (provided that "Pledged Gross Receipts Tax Revenues" does not include and the County is not pledging to the Bonds any of such County gross receipts tax revenues received pursuant to such Sections 7-1-6.13, which exceeds the aforesaid, and does not include any gross receipts tax revenues received pursuant to any other statute).

The Bonds are equally and ratably secured by a pledge of the Pledged Revenues.

The lien of the Bonds on the Fire Protection Fund Distributions is a first lien, but not necessarily an exclusive first lien. Additional bonds and other obligations may not be issued and

494

69

made payable from the Fire Protection Fund Distributions having a lien on Fire Protection Fund Distributions prior and superior to the lien of the Bonds on the Fire Protection Fund Distributions but may be issued with a lien on the Fire Protection Fund Distributions subordinate to or on a parity with the lien of the Bonds on Fire Protection Fund Distributions upon satisfaction of the conditions set forth in the Bond Ordinance. The lien of the Bonds on the Pledged County Gross Receipts Tax Revenues is a subordinate lien and additional bonds or other obligations with a superior lien on the Pledged Gross Receipts Tax Revenues may be issued without restriction.

Reference is made to the Bond Ordinance for a full description of the pledge securing the Bonds, the nature, extent and manner of enforcement of that pledge, the rights and remedies of owners of Bonds with respect thereto and the terms and conditions upon which the Bonds are issued. The acceptance of the terms and conditions of the Bond Ordinance is an explicit and material part of the consideration of the County's issuance of this bond, and each Owner, by acceptance of this bond, agrees and assents to the provisions thereof as if fully set forth in this bond.

The Bonds are issued to finance the acquisition, construction and equipping of fire stations for the Quay Fire District, Bard-Endee Fire District, Number 1 Fire District and Nara Visa Fire District.

The County has designated the Bonds in the Bond Ordinance as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

The County covenants and agrees with the owner of this bond and with each and every person who may become the owner hereof that it will keep and perform all of the covenants of the Bond Ordinance.

This bond is subject to the condition, and every owner hereof by accepting the same agrees with the obligor and every subsequent owner hereof, that the principal of and interest on this bond shall be paid, and this bond is transferable, free from and without regard to any equities, set-offs or crossclaims between the obligor and the original or any other owner hereof.

Section 14. Period of Projects' Usefulness. The period of usefulness of the Projects exceeds the final maturity date of the Bonds.

Section 15. Disposition of Proceeds; Completion of Projects. Except as herein otherwise specifically provided, the proceeds derived from the sale of the Bonds shall be used and paid solely for the valid costs of acquiring, constructing and equipping the Projects.

A. Accrued Interest and Premium. Upon the sale of the Bonds, all moneys received as accrued interest and any premium therefor, shall be deposited into the Debt Service Fund, to apply on the payment of interest next due on the Bonds.

B. Acquisition Fund. Except as provided above, the proceeds derived from the sale of the Bond shall be deposited promptly upon the receipt thereof in the Acquisition Fund.

Until the Completion Date, the money in the Acquisition Fund shall be used and paid out solely for the purpose of acquiring, constructing or equipping the Projects and payment of the Expenses in compliance with applicable law.

C. Project Completion. The Completion Date shall be evidenced by a certificate signed by a consulting contractor, consulting engineer or a consulting architect stating that acquisition of the Projects has been completed. As soon as practicable, and in any event not more than 60 days from the Completion Date, any balance remaining in the Acquisition Fund (other than any amount retained by the County for any Project costs not then due and payable) shall be transferred from the Acquisition Fund and deposited in the Debt Service Fund and used by the County to pay principal and interest as same become due. Upon such transfer, appropriate credit against the obligation of the Fire District(s) to make deposits to the Debt Service Fund as set forth in Exhibit A shall be given to the Fire District(s) whose Project(s) costs have come in under anticipated costs which thereby resulted in the balance remaining in the Acquisition Fund.

D. Reserve Fund. \$48,000 of the proceeds received from the sale of the Bonds, which equals the Reserve Requirement, shall be deposited in the Reserve Fund.

E. Purchaser Not Responsible. The Purchaser of the Bonds shall in no manner be responsible for the application or disposal by the County or by its officers of the funds derived from the sale thereof or of any other funds herein designated.

Section 16. Funds and Accounts. The County hereby creates and continues, as applicable, the following special and separate funds, which shall be under the control of the County:

A. Acquisition Fund. Creates the "County of Quay Fire District Revenue Bonds, Series 1994A, Project Acquisition Fund" to be maintained by the County.

B. Fire Protection Distribution Income Fund. Creates the "County of Quay Fire Protection Distribution Income Fund" for the deposit of the Fire Protection Fund Distributions to be maintained by the County.

C. Debt Service Fund. Creates the "County of Quay Fire District Revenue Bonds, Series 1994A, Debt Service Fund" to be maintained by the County.

D. Reserve Fund. Creates the "County of Quay Fire District Revenue Bonds, Series 1994A, Reserve Fund" to be maintained by the County.

E. Gross Receipts Tax Income Fund. Continues the County of Quay Gross Receipts Tax Income Fund established pursuant to County Ordinance No. 9 for the 1989 bonds which shall constitute a special bond fund as required by Section 4-62-1B, NMSA 1978.

Section 17. Deposit of Pledged Revenues and Flow of Funds.

A. Fire Protection Distribution Income Fund. So long as any of the Bonds are outstanding, the Fire Protection Fund Distributions shall be set aside and deposited into the Fire Protection Income Fund, and thereafter transferred to the Debt Service Fund, as hereinafter provided. So long as any of the Bonds are outstanding, all monthly distributions of the Pledged Gross Receipts Tax Revenues shall be set aside and deposited in the County of Quay Gross Receipts Tax Income Fund and used as provided in paragraphs C and J of this Section 17.

B. Debt Service Fund. From moneys in the Fire Protection Distribution Income Fund there shall be transferred to the Debt Service Fund the following:

(1) Semi-annually, no later than the first day of the month prior to an interest payment date, an amount which is necessary to pay the next maturing installment of interest on the 1994A Bonds.

(2) Semi-annually, no later than the first day of the month prior to a principal payment date, an amount which is necessary to pay the next maturing installment of principal on the 1994A Bonds.

C. Deficiency. After deposits from the Fire Protection Distribution Income Fund set forth in paragraph B of this Section, if any deposit made into the Debt Service Fund is less than the amount required to be deposited pursuant to paragraph B above, the County shall first draw upon the Gross Receipts Tax Income Fund (after any required payments on the 1994B Bonds and bonds or obligations payable from such fund with a superior lien on the Pledged Gross Receipts Tax Revenues) and if such draw is insufficient to cure the deficiency in the Debt Service Fund, the County shall draw upon the Reserve Fund as hereafter provided in paragraph H of this Section, and if such draw upon the Reserve Fund is insufficient to cure the deficiency in the Debt Service Fund, the County shall include in addition to the next monthly deposit, on a cumulative basis, the sum of any such deficiency.

74
D. Credit. In making the deposits required to be made into the Debt Service Fund, if there are any amounts then on deposit in the Debt Service Fund available for the purpose for which such deposit is to be made, the amount of the deposit to be made pursuant to paragraphs B and C above shall be reduced by the amount available in such fund and available for such purpose.

E. Transfer of Money out of Debt Service Fund. Each payment of principal and interest becoming due on the Bonds shall be transferred from the Debt Service Fund to the Paying Agent on or before two Business Days prior to the due date of such payment and used exclusively for such payments of principal and interest to the owners of the Bonds.

F. Payment of Additional Parity Obligations. Concurrently with the payment of the Fire Protection Fund Distributions required by paragraph B of this Section, any amounts on deposit in the County of Quay Fire Protection Distribution Income Fund shall be used by the County for the payment of principal of and interest on Parity Obligations, if any, hereafter authorized to be issued and payable from the Fire Protection Fund Distributions, as the same accrue.

G. Reserve Fund. Immediately upon the sale and delivery of the Bonds, a deposit in an amount equal to the Reserve Requirement will be made into the Reserve Fund from proceeds of the Bonds. No payment need be made into the Reserve Fund so long as the moneys therein shall equal not less than the Reserve Requirement. The moneys in the Reserve Fund shall be accumulated and maintained as a continuing reserve to be used, except as hereinafter provided in paragraphs H and J of this Section, only to prevent deficiencies in the payment of the principal of and interest on the Bonds resulting from failure to deposit into the Debt Service Fund sufficient funds to pay the principal and interest as the same accrue.

H. Defraying Delinquencies in the Debt Service Fund and Reserve Fund. If, in any month, the County shall, for any reason, fail to pay into the Debt Service Fund the full amount above stipulated from the Pledged Revenues, then an amount shall be paid into the Debt Service Fund in such month from the Reserve Fund equal to the difference between that paid from the Pledged Revenues and the full amount so stipulated. The money so used shall be replaced in the Reserve Fund from the first Pledged Revenues thereafter received not required to be otherwise applied. If, in any month, the County shall, for any reason, fail to pay into the Reserve Fund the full amount required, the difference between the amount paid and the amount so stipulated shall in a like manner be paid therein from the first Pledged Revenues thereafter not required to be otherwise applied. The moneys in the Reserve Fund shall be used solely and only for the purpose of paying the principal of and the interest on the Bonds; provided, however, that any moneys at any time in excess of the Reserve Requirement in the Reserve Fund may be withdrawn therefrom and applied to any other lawful purpose. Cash accumulated in the Reserve Fund shall not be invested in a manner which could cause the Bonds to become arbitrage bonds within the meaning of the Code.

500

75

I. Termination Upon Deposits to Maturity. No payment shall be made into the Debt Service Fund and Reserve Fund if the amount in such funds totals a sum at least equal to the entire aggregate amount due as to principal, premium, if any, and interest, on the Bonds to their respective maturities or applicable redemption dates, in which case moneys in the Debt Service Fund and the Reserve Fund in an amount at least equal to such principal and interest requirements shall be used solely to pay such obligations as the same accrue, and any moneys in excess thereof in the Debt Service Fund and the Reserve Fund may be used as provided below.

J. Use of Surplus Revenues. After making all the payments hereinabove required to be made by this Section, any moneys remaining in the Fire Protection Distribution Income Fund may be applied to any other lawful purpose for the Fire Districts, including, but not limited to the payment of any bonds or obligations subordinate and junior to the Bonds, or purposes authorized by the County, the Constitution and laws of the State, as the County may from time to time determine. At the end of each Fiscal Year, all amounts remaining in the Gross Receipts Tax Income Fund, after all annual obligations of principal and interest on and expenses relating to the 1994A Bonds have been fully met, shall be transferred to any other fund or account as may be required or permitted by the Constitution and laws of the State, as the County may from time to time determine.

Section 18. General Administration of Funds. The funds designated in Sections 16 and 17 shall be administered and invested as follows:

A. Places and Times of Deposits. The funds shall be separately maintained as a trust fund or funds for the purposes established and shall be deposited in one or more bank accounts in an Insured Bank or Banks. Each account shall be continuously secured to the extent required by law and shall be irrevocable and not withdrawable by anyone for any purpose other than the designated purpose. Payments shall be made into the proper account on the first day of the month except when the first day shall not be a Business Day, then payment shall be made on the next succeeding Business Day. No later than two Business Days prior to each interest payment date, moneys sufficient to pay interest and principal then due on the Bonds shall be transferred to the Paying Agent. Nothing in this Bond Ordinance shall prevent the County from establishing one or more bank accounts in an Insured Bank or Banks for all the funds required by this Bond Ordinance or shall prevent the combination of such funds and accounts with any other bank account or accounts for other funds and accounts of the County.

B. Investment of Money. Except as otherwise provided herein, any moneys in any fund or account designated in Sections 16 and 17 may be invested in any Permitted Investment. The obligations so purchased as an investment of moneys in said fund or account shall be deemed at all times to be part of said fund or account, and any profit realized therefrom shall be credited to the fund or account. The County Treasurer shall present for redemption or sale on the prevailing market any obligations so purchased as an investment of moneys in the fund or account whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such fund or account.

Section 19. Lien on Pledged Revenues. The Pledged Revenues are hereby authorized to be pledged to, and are hereby pledged, and the County grants a security interest therein for, the payment of the principal of, premium, if any, and interest on the Bonds, subject to the uses thereof permitted by, and the priorities set forth in, the Bond Ordinance. The Bonds constitute an irrevocable and first lien, but not necessarily an exclusive first lien, on the Fire Protection Fund Distributions as set forth herein. The Bonds constitute a subordinate lien on the Pledged County Gross Receipt Tax Revenues subordinate to the lien for the 1994B Bonds and additional bonds or other obligations with a superior lien on the Pledged Gross Receipts Tax Revenues may be issued without restrictions.

The County hereby pledges and grants a security interest in the moneys on deposit in the Acquisition Fund for the payment of the Bonds with a priority thereon (relative to the use of the money in the Acquisition Fund for the purposes of acquiring the Projects) as set forth in Section 15 of the Bond Ordinance.

Section 20. Bonds or Other Obligations Payable From Pledged Revenues.

A. Limitations Upon Issuance of Parity Obligations. No provision of the Bond Ordinance shall be construed in such a manner as to prevent the issuance by the County of additional parity obligations payable from Fire Protection Fund Distributions ("Parity Obligations"), nor to prevent the issuance of bonds or other obligations refunding all or a part of the Bonds; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 21 hereof), it must be determined that:

(1) The County is then current in all of the accumulations required to be made into the funds as provided in Section 17 of the Bond Ordinance; and

(2) No default shall exist in connection with any of the covenants or requirements of the Bond Ordinance; and

(3) The Fire Protection Fund Distributions received by the County for the Fiscal Year immediately preceding the date of the issuance of such additional Parity Obligations shall have been sufficient to pay an amount representing one hundred and twenty-five percent (125%) of the combined maximum annual principal and interest coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding any reserves therefor).

B. Certificate or Opinion of Revenues. A written certificate or opinion by an Independent Accountant that such annual Fire Protection Fund Distributions are sufficient to pay such amounts shall be conclusively presumed to be accurate in determining the right of the County to authorize, issue, sell and deliver such additional bonds or other obligations on a parity with the Bonds herein authorized.

C. Subordinate Obligations Permitted. No provision of the Bond Ordinance shall be construed in such a manner as to prevent the issuance by the County of additional bonds or other obligations payable from the Fire Protection Fund Distributions constituting a lien upon such fire Protection Fund Distributions subordinate and junior to the lien of the Bonds nor to prevent the issuance of bonds or other obligations refunding all or part of the Bonds herein authorized as permitted by Section 21 hereof.

D. Superior Obligations Payable from Fire Protection Fund Distributions Prohibited. The County shall not issue bonds payable from the Fire Protection Fund Distributions having a lien thereon prior and superior to the Bonds.

E. Superior Gross Receipts Tax Revenue Bonds Permitted. The County may issue bonds payable from the Pledged Gross Receipts Tax Revenues with a lien prior and superior thereon to the lien of the Bonds without restriction.

Section 21. Refunding Bonds Payable from Fire Protection Fund Distributions. The provisions of Section 20 hereof are subject to the following exceptions:

A. Privilege of Issuing Refunding Obligations. If at any time after the Bonds, or any part thereof, shall have been issued and remain outstanding, the County shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Fire Protection Fund Distributions, such bond or other obligations, or any part thereof, may be refunded (but the holders of bonds to be refunded may not be compelled to surrender their bonds, unless the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the County's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Fire Protection Fund Distributions is changed, except as provided in subparagraph C of Section 20 hereof and in subparagraphs B and C of this Section.

B. Limitations Upon Issuance of Parity Refunding Obligations. No refunding bonds or other refunding obligations payable from the Fire Protection Fund Distributions shall be issued on a parity with the Bonds herein authorized, unless:

(1) The outstanding obligations so refunded are Parity Bonds and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(2) The refunding bonds or other refunding obligations are issued in compliance with paragraph A of Section 20 hereof.

C. Refunding Part of an Issue. The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Fire Protection Fund Distributions with the portion of any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be

78

503

subrogated to all of the rights and privileges enjoyed by the holder or holders of the bonds or other obligations of the same issue refunded thereby. If only a part of the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Fire Protection Fund Distributions is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(1) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(2) The refunding bonds or other refunding obligations are issued in compliance with paragraph A of Section 20 hereof; or

(3) The lien on the Fire Protection Fund Distributions for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

D. Limitations Upon Issuance of Refunding Obligations. Any refunding bonds or other refunding obligations payable from the Fire Protection Fund Distributions shall be issued with such details as the County may provide by ordinance, but without any impairment of any contractual obligations imposed upon the County by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, the Bonds).

Section 22. Equality of the Bonds. The Bonds from time to time outstanding shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of their issuance or the date incurred, it being the intention of the Board that, except as set forth herein, there shall be no priority among the Bonds regardless of whether they are actually issued and delivered or incurred at different times.

Section 23. Protective Covenants. The County hereby covenants and agrees with each and every holder of the Bonds issued hereunder:

A. Use of Bond Proceeds. The County will proceed without delay to apply the proceeds of the Bonds to acquiring, constructing and equipping the Projects.

B. Payment of the Bond Herein Authorized. The County will promptly pay the principal of and the interest on every Bond at the place, on the date and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

C. County's Existence. The County will maintain its corporate identity and existence so long as any of the Bonds remain outstanding, unless another political subdivision

504

79

by operation of law succeeds to the liabilities and rights of the County, without adversely affecting to any substantial degree the privileges and rights of any owner of the Bonds.

D. Prohibition of any Extension of Interest Payments. In order to prevent any accumulation of claims for interest after maturity, the County will not directly or indirectly extend or assent to the extension of time for the payment of any claim for interest on any of the Bonds, and the County will not directly or indirectly be a party to or approve any arrangements for any such extension. If the time for payment of any such interest shall be extended, such installment or installments of interest, after such extension or arrangement, shall not be entitled in case of default hereunder to the benefit or security hereof, except subject to the prior payment in full of the principal of all Bonds hereunder and then outstanding and of the matured interest on such Bonds, the payment of which has not been extended.

E. Records for Pledged Revenues. So long as any of the Bonds remain outstanding, proper books of record and account will be kept by the County, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues.

F. Audits. The County will, within one hundred eighty (180) days following the close of each Fiscal Year, cause an audit of its books and accounts relating to the Pledged Revenues to be commenced by an Independent Accountant showing the receipts and disbursements in connection with such revenues. The County agrees to furnish forthwith a copy of each of such audits and reports to the Purchaser and the holder of any of the Bonds upon written request.

G. Other Pledged Revenues Liens. Other than as described and identified by the Bond Ordinance, there are no liens or encumbrances of any nature whatsoever on or against the Pledged Revenues. The Pledged County Gross Receipts Tax Revenues have been pledged with a superior lien to the payment of the 1994B Bonds.

H. Duty to Impose Gross Receipts Tax. If State law or any County ordinance or part thereof, which in any manner affect the Pledged Gross Receipts Tax Revenues, shall ever be held to be invalid or unenforceable, it shall be the duty of the County to immediately take any action necessary to produce sufficient Pledged Gross Receipts Tax Revenues to comply with the contracted obligations of the Bond Ordinance, except as is provided in paragraph I of this Section.

I. Impairment of Contract. The County agrees that any law, ordinance or resolution of the County that in any manner affects the Pledged Revenues, or the Bond shall not be repealed or otherwise directly or indirectly modified, in such a manner as to impair adversely the Bonds outstanding, unless such Bonds have been discharged in full or provision has been fully made therefor or unless the required consents of the holders of the then outstanding Bonds are obtained pursuant to Section 30 of the Bond Ordinance.

J. Tax Covenants. The County covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code. The appropriate officers of the Board having responsibility for the issuance of the Bonds shall give an appropriate certificate of the County, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the County regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Bonds.

Section 24. Qualified Tax-Exempt Obligations. The Bonds are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. In that connection, the County hereby covenants that the County, it having no "subordinate entities" with authority to issue obligations within the meaning of that Section of the Code, in or during the calendar year in which the Bonds are issued, (i) will not designate as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code, tax-exempt obligations, including the Bonds, in an aggregate principal amount in excess of \$10,000,000, and (ii) will not issue tax-exempt obligations within the meaning of Section 265(b)(4) of the Code, including the Bonds and any qualified 501(c)(3) bonds as defined in Section 145 of the Code (but excluding obligations, other than qualified 501(c)(3) bonds, that are private activity bonds as defined in Section 141 of the Code), in an aggregate principal amount exceeding \$10,000,000, unless the County receives an opinion of nationally recognized bond counsel that such designation or issuance, as applicable, will not cause the Bond to cease to be "qualified tax-exempt obligations."

Section 25. Events of Default. Each of the following events is hereby declared an "event of default":

A. Nonpayment of Principal. Failure to pay the principal of any of the Bonds or failure to pay any installment of interest on the Bonds when the same becomes due and payable, either at maturity, or by proceedings for redemption, or otherwise.

B. Incapable to Perform. The County shall for any reason be rendered incapable of fulfilling its obligations hereunder.

C. Default of any Provision. Default by the County in the due and punctual performance of its covenants or conditions, agreements and provisions contained in the Bonds or in the Bond Ordinance on its part to be performed, and the continuance of such default (other than a default set forth in subparagraph A of this Section) for sixty (60) days after written notice specifying such default and requiring the same to be remedied has been given to the County by the holders of twenty-five percent (25%) in aggregate principal amount of the Bonds then outstanding.

Section 26. Remedies Upon Default. Upon the happening and continuance of any of the events of default as provided in Section 25 of the Bond Ordinance, then in every case the

506

81

holder or holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then outstanding, including, but not limited to, a trustee or trustees therefor, may proceed against the County, the Board and its agents, officers and employees to protect and enforce the rights of any holder of Bonds under the Bond Ordinance by mandamus or other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award relating to the execution of any power herein granted for the enforcement of any legal or equitable remedy (except for acceleration of debt service on the Bonds which shall never be a permitted remedy hereunder) as such holder or holders may deem most effectual to protect and enforce the rights provided above, or to enjoin any act or thing which may be unlawful or in violation of any right of any Bondholder, or to require the Board to act as if it were the trustee of an express trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all holders of the Bonds then outstanding. The failure of any Bondholder so to proceed shall not relieve the County or any of its officers, agents or employees of any liability for failure to perform any duty. Each right or privilege of such holder (or trustee thereof) is in addition and cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any holder shall not be deemed a waiver of any other right or privilege.

Section 27. Duties Upon Default. Upon the happening of any of the events of default provided in Section 25 of the Bond Ordinance, the County, in addition, will do and perform all proper acts on behalf of and for the owners of the Bonds to protect and preserve the security created for the payment of the Bonds and to insure the payment of the principal of and interest on the Bonds promptly as the same become due. All proceeds derived therefrom, so long as any of the Bonds, either as to principal or interest, are outstanding and unpaid, shall be applied as set forth in Section 17 of the Bond Ordinance. In the event the County fails or refuses to proceed as provided in this Section, the holder or holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then outstanding, after demand in writing, may proceed to protect and enforce the rights of the owners of the Bonds as hereinabove provided.

Section 28. Bonds Not Presented When Due. If any Bonds shall not be duly presented for payment when due at maturity or on the redemption date thereof, and if moneys sufficient to pay such Bonds are on deposit with the Paying Agent for the benefit of the owners of such Bonds, all liability of the County to such owners for the payments of such Bonds shall be completely discharged, such Bonds shall not be deemed to be outstanding and it shall be the duty of the Paying Agent to segregate and to hold such moneys in trust, without liability for interest thereon, for the benefit of the owners of such Bonds as may be provided in any agreement hereafter entered into between the Paying Agent and an officer of the County.

Section 29. Delegated Powers. The officers of the County be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of the Bond Ordinance, including, without limiting the generality of the foregoing, the publication of the summary of publication set out in Section 36 of the Bond Ordinance (with

such changes, additions and deletions as they may determine), the distribution of material relating to the Bonds, the printing of the Bonds, the printing, execution and distribution of a Preliminary and final Official Statement, and the execution thereof, of the Bond Purchase Agreement and of such certificates as may be required by the Purchaser, the Bond Purchase Agreement, or bond counsel. The use and distribution of the Preliminary Official Statement and the Official Statement in connection with the sale of the Bonds is hereby ratified, authorized, approved and acknowledged.

Section 30. Amendment of Ordinance. This Ordinance may be amended without the consent of the holder of any Bond to cure any ambiguity, or to cure, correct or supplement any defect or inconsistent provision contained herein, or to comply with the provisions of the Code, or to comply with any rule or regulation of the Securities and Exchange Commission relating to the Bonds. Prior to the date of the initial delivery of the Bonds to the Purchaser, the provisions of this Ordinance may be amended or supplemented with the written consent of the Purchaser, by resolution of the Board with respect to any changes which are not inconsistent with the substantive provisions of this Ordinance. Except as provided above, this Ordinance may be amended without receipt by the County of any additional consideration, but with the written consent of the holders of three-fourths (3/4th) of the aggregate principal amount of the Bonds then outstanding (not including Bonds which may be held for the account of the County); but no ordinance adopted without the written consent of the holders of all outstanding Bonds shall have the effect of permitting:

- A. An extension of the maturity of any Bond; or
- B. A reduction of the principal amount or interest rate or prior redemption premium of any Bond; or
- C. The creation of a lien upon the Pledged Revenues ranking prior to the lien or pledge created by this Ordinance; or
- D. A reduction of the principal amount of Bonds required for consent to such amendatory ordinance; or
- E. The establishment of priorities as between Bonds issued and outstanding under the provisions of this Ordinance; or
- F. The modification of or otherwise affecting the rights of the holders of less than all the outstanding Bonds.

Any amendment to this Ordinance which is not inconsistent with the terms hereof, may be made by resolution of the Board; any other amendment to this Ordinance shall be made by subsequent ordinance of the Board.

508

83

Section 31. Defeasance. When all principal, interest and prior redemption premium, if any, in connection with the Bonds hereby authorized has been duly paid, the pledge and lien for the payment of the Bonds shall thereby be discharged and the Bonds shall no longer be deemed to be outstanding within the meaning of the Bond Ordinance. Payment shall be deemed made with respect to any Bond or Bonds when the Board has placed in escrow with a commercial bank exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities) to meet all requirements of principal, interest and prior redemption premium, if any, as the same become due to their final maturities or upon designated redemption dates. Any Federal Securities shall become due when needed in accordance with a schedule agreed upon between the Board and such bank at the time of the creation of the escrow. Federal Securities within the meaning of this Section shall include only direct obligations of, or obligations the principal of and interest of which are unconditionally guaranteed by the United States of America.

Section 32. Ordinance Irrepealable. After any of the Bonds are issued, the Bond Ordinance shall be and remain irrepealable until the Bonds and the interest thereon shall be fully paid, canceled and discharged, as herein provided, or there has been defeasance as herein provided.

Section 33. Severability Clause. If any section, paragraph, clause or provision of the Bond Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of the Bond Ordinance.

Section 34. Repealer Clause. All bylaws, orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

Section 35. Effective Date. Upon due adoption of this Bond Ordinance, it shall be recorded in the book of ordinances of the County kept for that purpose, authenticated by the signatures of the Chairman of the Board and County Clerk, and the title and general summary of the subject matter contained in the Bond Ordinance (set out in Section 36 below) shall be published in a newspaper which maintains an office and is of general circulation in the County, or posted in accordance with law, and said Ordinance shall be in full force and effect thereafter, in accordance with law.

Section 36. General Summary for Publication. Pursuant to the general laws of the State, the title and a general summary of the subject matter contained in the Bond Ordinance shall be published in substantially the following form:
