WORK AND FINANCIAL PLAN
between
QUAY COUNTY
and
UNITED STATES DEPARTMENT OF AGRICULTURE
ANIMAL AND PLANT HEALTH INSPECTION SERVICE
WILDLIFE SERVICES (APHIS-WS)
for
July 1, 2016 through June 30, 2017

Pursuant to Cooperative Service Agreement No. 14-73-35-2385-RA between the county of QUAY and APHIS-WS, this Work Plan defines the objectives, plan of action, resources and budget for the maintenance of an Integrated Wildlife Damage Management (IWDM) program to protect residents, property, livestock, crops, and natural resources from damage caused by predators and other nuisance wildlife to be conducted from July 1, 2016 through June 30, 2017.

APHIS-WS is a federal agency with a broad mission that includes carrying out wildlife damage management activities. In recent years, USDA-APHIS has maintained an effective IWDM program to resolve conflicts with wildlife throughout the County. APHIS-WS is available and qualified to conduct the wildlife damage management services necessary to accomplish the County's goals.

I. OBJECTIVES/GOALS

Wildlife Services' overall goal is to maintain a biologically-sound IWDM program to assist property owners, businesses, private citizens, and governmental agencies in resolving wildlife damage problems and conduct control activities in accordance with applicable Federal, State and local laws and regulations. Assistance may be in the form of providing technical assistance or direct control activities. Recommendations and control activities will emphasize long term solutions and incorporate the Integrated Wildlife Damage Management approach.

The scope of this program is limited only by the financial resources allocated by the cooperator and APHIS-WS. Although successful elimination of any specific threat is not guaranteed, all reasonable efforts will be made to resolve or mitigate human-wildlife conflicts within financial and regulatory constraints.

II. PLAN OF ACTION

To accomplish this goal, the following general field services will be provided: (1) technical assistance through demonstration and instruction of wildlife damage prevention and/or control techniques; (2) predator identification and removal when livestock, crop or natural resource damage

is verified; (3) nuisance wildlife removal when property damage is identified; (4) removal of wildlife displaying aggressive behavior or causing actual injury to county residents. To provide these basic services, APHIS-WS will:

1. Assign one Wildlife Specialist(s) for 12 staff-months averaging 40 hours per week distributed among direct control activities, technical assistance, APHIS-required administrative tasks and annual leave.
2. Procure and maintain a vehicle, tools, supplies, and other specialized equipment as deemed necessary by the State Director to accomplish the objectives identified in this plan.
3. Safely & professionally utilize approved wildlife damage management tools/equipment including firearms (including high-pressure air rifles), advanced optics, assorted snaring devices, trailing hounds, all-terrain vehicles, leg-hold traps for the protection of endangered species and public safety, cage-type & other specialized traps, deterrent methods/devices (including pyrotechnics), Environmental Protection Agency approved toxicants (including euthanasia drugs), night vision equipment and electronic calling devices.
 - a. Field Specialists will ensure that the most effective, efficient, and humane tools will be utilized and will conduct direct control operations in a safe manner.
 - b. Equipment will be maintained in good working order to help prevent accidents and/or hazardous situations.
4. Conduct all control activities with trained USDA-WS employees and volunteers.
 - a. Technical Assistance may be in the form of recommendations for implementing various non-lethal techniques. Official USDA pamphlets may be used to convey this information to the public.
 - b. Direct Control activities may include, but are not limited to the monitoring, trapping, dispersal, and shooting of known and potential predators or nuisance wildlife.

The District Supervisor in the WS District Office will supervise this project. This project will be monitored by the State Director and administrative staff in Albuquerque. The Cooperator will be kept advised on the status of this project on a regular basis.

APHIS-WS will cooperate with the New Mexico Department of Game and Fish, the U.S. Fish and Wildlife Service, County and local city governments, and other entities to ensure compliance with applicable Federal, State, and local laws and regulations.

III. PROCUREMENT

Purchase of supplies, equipment and miscellaneous needs including salaries will be made by APHIS-WS. All expenditures will be processed through APHIS's Financial Management Modernization Initiative (FMMI) system and charged to the Cooperator as described in the Financial Plan.

IV. STIPULATIONS AND RESTRICTIONS

APHIS-WS activities under this cooperative effort will be limited to the State of New Mexico, County of Quay. Techniques will be environmentally sound, safe, and selective. If applicable, both Federal and State permits will be secured to perform wildlife damage management activities, and those activities will be conducted within the policy guidelines of APHIS-WS. All program activities will be conducted in compliance with Local, State, and Federal regulations.

In the absence of a finalized county budget, a letter of intent must be provided pending final budget approval. The cooperative Wildlife Services Program can't continue unless a mutual agreement is negotiated by June 30, 2016.

V. COST ESTIMATE FOR SERVICES

The cooperator will be billed quarterly by APHIS FMMI for costs incurred, but will not exceed \$35,500 annually. This figure includes: Pooled Job Costs, which cover costs associated with vehicle replacement, employee leave and retirement expenses. Indirect Costs, which cover costs associated with APHIS program support. APHIS-WS and NMDA will also contribute to the balance of salary and benefits. An estimated itemization of expenses is listed below; however funds may be distributed between itemized categories at the discretion of APHIS-WS if required:

The DCIA requires that all debts older than 120 days be forwarded to debt collection centers or commercial collection agencies for more aggressive action. Debtors have the option to verify, challenge and compromise claims, and have access to administrative appeals procedures which are both reasonable and protect the interests of the United States.

- A. The Project is needed to meet the needs of the Governmental Unit and its residents and the issuance and delivery of the Loan Agreement is necessary and advisable.

necessary and in the interest of the public health, safety and welfare of the residents of the Governmental Unit.

F. The Governmental Unit will acquire the Project, in whole or in part, with the net proceeds of the Loan.

Section 5. Loan Agreement and Intercept Agreement - Authorization and Detail.

A. Authorization. This Resolution has been adopted by the affirmative vote of at least a majority of all of the members of the Governing Body. For the purpose of protecting the public health, conserving the property, protecting the general welfare and prosperity of the residents of the Governmental Unit and acquiring the Project, it is hereby declared necessary that the Governmental Unit, pursuant to the Act, execute and deliver the Loan Agreement evidencing a special, limited obligation of the Governmental Unit to pay a principal amount of \$176,323, plus interest thereon, and the execution and delivery of the Loan Agreement and the Intercept Agreement are hereby authorized. The Governmental Unit shall use the proceeds of the Loan to finance the Project and to pay the Processing Fee. The Project will be owned by the Governmental Unit.

B. Detail. The Loan Agreement and Intercept Agreement shall be in substantially the forms of the Loan Agreement and Intercept Agreement presented at the meeting of the Governing Body at which this Resolution was adopted. The Loan shall be in an original aggregate principal amount of \$176,323, shall be payable in installments of principal due on May 1 of the years designated in Exhibit "B" to the Loan Agreement and bear interest payable on November 1 and May 1 of each year, beginning on November 1, 2017, at the rates designated in Exhibit "B" to the Loan Agreement.

Section 6. Approval of Loan Agreement and Intercept Agreement. The Loan Agreement, together with interest thereon and other obligations of the Governmental Unit thereunder, shall be a special, limited obligation of the Governmental Unit.

payable solely from the Pledged Revenues as provided in this Resolution and the Loan Agreement and shall not constitute a general obligation of the Governmental Unit or the State, and the holders of the Loan Agreement may not look to any general or other fund of the Governmental Unit for payment of the obligations thereunder. Nothing contained in this Resolution or in the Loan Agreement, or any other instruments, shall be construed as obligating the Governmental Unit (except with respect to the application of the Pledged Revenues), as incurring a pecuniary liability or a charge upon the general credit of the Governmental Unit or against its taxing power, nor shall a breach of any agreement contained in this Resolution, the Loan Agreement, or any other instrument impose any pecuniary liability upon the Governmental Unit or any charge upon its general credit or against its taxing power. The Loan Agreement shall never constitute an indebtedness of the Governmental Unit within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Governmental Unit or a charge against its general credit or taxing power. Nothing herein shall prevent the Governmental Unit from applying other funds of the Governmental Unit legally available therefore to payments required by the Loan Agreement, in its sole and absolute discretion.

Section 8. Disposition of Proceeds: Completion of Acquisition of the Project.

A. Program Account and Finance Authority Debt Service Account. The Governmental Unit hereby consents to creation of the Finance Authority Debt Service Account to be held and maintained by the Finance Authority and to the Program Account, to be held and maintained by the Trustee pursuant to the Indenture, each in connection with the Loan. The Governmental Unit hereby approves (i) the deposit of a portion of the proceeds of the Loan Agreement in the Program Account and in the Finance Authority Debt Service Account, and (ii) the payment of the Processing Fee to the Finance Authority, all as set forth in Exhibit "A" to the Loan Agreement.

The proceeds derived from the execution and delivery of the Loan Agreement shall be deposited promptly upon the receipt thereof in the Finance Authority Debt Service Account and the Program Account, and the Processing Fee shall be paid to the Finance Authority, all as provided in the Loan Agreement and the Indenture.

Until the Completion Date, the money in the Program Account shall be used and paid out solely for the purpose of acquiring the Project in compliance with applicable law and the provisions of the Loan Agreement and the Indenture.

The Governmental Unit will acquire the Project with all due diligence.

B. Completion of the Project. Upon the Completion Date, the Governmental Unit shall execute and send to the Finance Authority a certificate stating that acquisition of, and payment for, the Project have been completed. As soon as practicable, and, in any event, not more than sixty (60) days from the Completion Date, any balance remaining in the Program Account shall be transferred and deposited into the Finance Authority Debt Service Account, as provided in the Loan Agreement and the Indenture.

C. Finance Authority and Trustee Not Responsible. The Finance Authority and the Trustee shall in no manner be responsible for the application or disposal by the Governmental

Unit or by its officers of the funds derived from the Loan Agreement or of any other funds herein designated.

Section 9. Deposit of Pledged Revenues, Distributions of the Pledged Revenues and Flow of Funds.

A. Deposit of Pledged Revenues. No payment shall be made into the Finance Authority Debt Service Account if the amount in the Finance Authority Debt Service Account totals a sum at least equal to the entire aggregate amount to become due as to principal, interest, if any, and any other amounts due under, the Loan Agreement, in which case moneys in such account in an amount at least equal to such principal and interest requirements shall be used solely to pay such obligations as the same become due, and any moneys in excess thereof in such accounts shall be transferred to the Governmental Unit and used as provided below.

C. Use of Surplus Revenues. After making all the payments hereinabove required to be made by this Section and any payments required by outstanding Parity Obligations, any moneys remaining in the Finance Authority Debt Service Account shall be transferred to the Governmental Unit on a timely basis and shall be applied to any other lawful purpose, including, but not limited to, the payment of any Parity Obligations or bonds or obligations subordinate and junior to the Loan Agreement, or other purposes authorized by the Governmental Unit, the Constitution and laws of the State, as the Governmental Unit may from time to time determine.

Section 10. Lien on Pledged Revenues. Pursuant to the Loan Agreement, the Pledged Revenues are hereby authorized to be pledged to, and are hereby pledged to, and the Governmental Unit grants a security interest therein for, the payment of the principal, interest, if any, and any other amounts due under the Loan Agreement, subject to the uses hereof permitted by and the priorities set forth in this Resolution. The Loan Agreement constitutes an irrevocable and first lien, but not necessarily an exclusive first lien, on the Pledged Revenues as set forth herein and therein and the Governmental Unit shall not create a lien on the Pledged Revenues superior to that of the Loan Agreement.

Section 11. Authorized Officers. Authorized Officers are hereby individually authorized and directed to execute and deliver any and all papers, instruments, opinions, affidavits and other documents and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution, the Loan Agreement, the Intercept Agreement and all other transactions contemplated hereby and thereby. the summary of this Resolution set out in Section 17 of this Resolution (with such changes, additions and deletions as may be necessary).

Section 12. Amendment of Resolution. Prior to the date of the initial delivery of the Loan Agreement to the Finance Authority, the provisions of this Resolution may be supplemented or amended by resolution of the Governing Body with respect to any changes which are not inconsistent with the substantive provisions of this Resolution. This Resolution may be amended without receipt by the Governmental Unit of any additional consideration, but only with the prior written consent of the Finance Authority.

Section 13. Resolution Irrepealable. After the Loan Agreement and Intercept Agreement have been executed and delivered, this Resolution shall be and remain irrepealable until all obligations due under the Loan Agreement shall be fully paid, canceled and discharged, as herein provided.

Section 14. Severability Clause. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 15. Repealer Clause. All bylaws, orders, resolutions, and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. ARTICLE II
REPRESENTATIONS, COVENANTS AND WARRANTIES

Section 2.1 Representations, Covenants and Warranties of the Governmental Unit. The Governmental Unit represents, covenants and warrants:

(a) Binding Nature of Covenants. All covenants, stipulations, obligations and agreements of the Governmental Unit contained in this Loan Agreement shall be deemed to be the covenants, stipulations, obligations and agreements of the Governmental Unit to the full extent authorized or permitted by law, and such covenants, stipulations, obligations and agreements shall be binding upon the Governmental Unit and its successors and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law. Except as otherwise provided in this Loan Agreement, all rights, powers and privileges conferred and duties and liabilities imposed upon the Governmental Unit by the provisions of this Loan Agreement and the Resolution shall be exercised or performed by the Governmental Unit or by such members, officers, or officials of the Governmental Unit as may be required by law to exercise such powers and to perform such duties.

(b) Personal Liability. No covenant, stipulation, obligation or agreement contained in this Loan Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any officer, agent or employee of the Governmental Unit or member of the Governing Body in his or her individual capacity, and neither the members of the Governing Body nor any officer, agent or employee of the Governmental Unit executing this Loan Agreement shall be liable personally on this Loan Agreement or be subject to any personal liability or accountability by reason of the execution and delivery thereof.

(c) Authorization of Loan Agreement and Intercept Agreement. The Governmental Unit is a political subdivision of the State and is duly organized and existing under the statutes and laws of the State. Pursuant to the Act, as amended and supplemented from time to time, the Governmental Unit is authorized to enter into the transactions contemplated by this Loan Agreement and the Intercept Agreement and to carry out its obligations hereunder and thereunder. The Governmental Unit has duly authorized and approved the execution and delivery of this Loan Agreement, the Intercept Agreement, and the other documents related to the transaction.

(d) Use of Loan Agreement Proceeds. The Governmental Unit shall proceed without delay in applying the proceeds of this Loan Agreement (less deposits to the Finance Authority Debt Service Account and the Processing Fee) to the acquisition of the Project.

(e) Payment of Loan Agreement. The Governmental Unit shall promptly pay Loan Agreement Payments, as specified in Exhibit "B" hereto, according to the true intent and meaning of this Loan Agreement. Loan Agreement Payments are payable solely from the Pledged Revenues or from the proceeds of refunding bonds or other refunding obligations which the Governmental Unit may hereafter issue in its sole discretion and which are payable from the Pledged Revenues; and nothing in this Loan Agreement shall be construed as obligating the Governmental Unit to pay Loan Agreement Payments from any general or other fund of the Governmental Unit other than such special funds. Nothing contained in this Loan Agreement, however, shall be construed as prohibiting the Governmental Unit in its sole and absolute

discretion, from making such payments from any moneys which may be lawfully used, and which are legally available, for that purpose.

(f) Acquisition and Completion of Project. The Project will consist of financing the cost of purchasing and equipping a new Brush Truck for the Conservancy #1 Volunteer Fire Department within the geographic limits of the Governmental Unit. The Project will be acquired and completed so as to comply with all applicable ordinances, resolutions and regulations, if any, and any and all applicable laws relating to the acquisition and completion of the Project and to the use of the Pledged Revenues. The Project complies with Sections 59A-53-1 through 59A-53-19, NMSA 1978, as amended.

(g) Necessity of Project. The acquisition of the Project under the terms and conditions provided for in this Loan Agreement is necessary, convenient and in furtherance of the governmental purposes of the Governmental Unit and is in the best interests of the Governmental Unit and its residents.

(h) Legal, Valid and Binding Special Obligation. The Governmental Unit has taken all required action necessary to authorize the execution and delivery of this Loan Agreement and the Intercept Agreement, and this Loan Agreement and the Intercept Agreement constitute legal, valid and binding special obligations of the Governmental Unit enforceable in accordance with their terms.

(i) Loan Agreement Term. The weighted average maturity of 6.331 years of the Loan Agreement does not exceed 120% of the reasonably expected life of the Project, which is ten (10) years.

(j) Use of Project. During the Loan Agreement Term, the Project will at all times be used for the purpose of benefiting the Governmental Unit as a whole.

(k) No Private Activity. The Governmental Unit is a "governmental unit" within the meaning of Sections 103 and 141(b)(6) of the Code. In addition, no amounts disbursed from the Program Account and used to finance the Project shall be used in the trade or business of a person who is not a "governmental unit" within the meaning of Sections 103 and 141(b)(6) of the Code.

(l) No Excess Loan Agreement Proceeds. The amount loaned to the Governmental Unit under this Loan Agreement as set forth on the Term Sheet does not exceed the sum of: (i) the cost of the Project; and (ii) an amount necessary to pay the Processing Fee and the costs related to issuance of the Bonds, if any.

(m) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement and the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions in this Loan Agreement and the Intercept Agreement, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Governmental Unit is a party or by which the Governmental Unit is bound or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Governmental Unit or its properties are subject, or constitutes a default under any of the foregoing.

(n) Irrevocable Enactments. While this Loan Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Loan Agreement, including the Resolution shall be irrevocable until this Loan Agreement has been paid in full as to both principal and interest, and shall not be subject to amendment or modification in any manner which would in any way jeopardize the timely payment of Loan Agreement Payments.

(o) Outstanding Debt. Except for the Parity Obligations, if any, described on the Term Sheet, there are currently no outstanding bonds, notes or other obligations of the Governmental Unit which are payable from and secured by a parity lien on the Pledged Revenues. No additional indebtedness, bonds or notes of the Governmental Unit payable on a priority ahead of the indebtedness herein authorized out of the Pledged Revenues shall be created or incurred while this Loan Agreement remains outstanding.

(p) No Litigation. To the best knowledge of the Governmental Unit, no litigation or proceeding is pending or threatened against the Governmental Unit or any other person affecting the right of the Governmental Unit to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Governmental Unit, nor compliance by the Governmental Unit with the obligations under such agreements, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(q) No Event of Default. No event has occurred and no condition exists which, upon the execution and delivery of this Loan Agreement and the Intercept Agreement, would constitute an Event of Default on the part of the Governmental Unit under this Loan Agreement or the Intercept Agreement.

(r) Pledged Revenues Not Budgeted. The portion of the Pledged Revenues necessary to pay the Loan Agreement Payments, as and when due, are not needed or budgeted to pay current or anticipated operational or other expenses of the Governmental Unit.

(s) Expected Coverage Ratio. The Pledged Revenues (giving credit for any increase in Pledged Revenues which has received final approval of the Governing Body and become effective) from the Fiscal Year immediately preceding the Closing Date were equal to or exceeded and, on an ongoing basis during each year of the Loan Agreement Term, are reasonably expected to equal or exceed, two hundred percent (200%) of the maximum Aggregate Annual Debt Service Requirement.

(t) No Extension of Interest Payments. The Governmental Unit will not extend or be a party to the extension of the time for paying any interest on this Loan Agreement.

(u) Governmental Unit's Existence. The Governmental Unit will maintain its corporate identity and existence so long as this Loan Agreement is unpaid, unless another political subdivision by operation of law succeeds to the liabilities and rights of the Governmental Unit without adversely affecting to any substantial degree the privileges and rights of the Finance Authority.

(v) Continuing Disclosure. The Governmental Unit covenants that it shall provide continuing disclosure to the Finance Authority, as the Finance Authority may require, that shall include, but not be limited to, annual audits, operational data required to update information in any disclosure documents used to assign or securitize the Loan Agreement Payments by issuance of Bonds by the Finance Authority pursuant to the Indenture, and notification of any event deemed material by the Finance Authority.

(w) Tax Covenants. The Governmental Unit covenants that it shall restrict the use of the proceeds of this Loan Agreement in such manner and to such extent, if any, as may be necessary so that this Loan Agreement will not constitute an "arbitrage bond" under Section 148 of the Code and that it shall pay any applicable rebate to the Internal Revenue Service. Authorized Officers of the Governmental Unit are hereby authorized and directed to execute an Arbitrage and Tax Certificate as may be required by the Finance Authority and such additional certificates as shall be necessary to establish that this Loan Agreement is not an "arbitrage bond" within the meaning of Section 148 of the Code and the Treasury Regulations promulgated or proposed with respect thereto, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150 as the same currently exist, or may from time to time hereafter be amended, supplemented or revised. The Governmental Unit covenants to comply with the provisions of any such Arbitrage and Tax Certificate and the provisions thereof will be incorporated herein by reference to the same extent as if set forth herein. The Governmental Unit covenants that no use will be made of the proceeds of this Loan Agreement, or any funds or accounts of the Governmental Unit which may be deemed to be Gross Proceeds (as defined in Treasury Regulation Section 1.148-1(b)) of this Loan Agreement, which use, if it had been reasonably expected on the Closing Date, would have caused this Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Pursuant to this covenant, the Governmental Unit obligates itself to comply throughout the Loan Agreement Term with the requirements of Sections 103 and 141 through 150 of the Code and the regulations proposed or promulgated with respect thereto. The Governmental Unit further represents and covenants that no bonds or other evidence of indebtedness of the Governmental Unit payable from substantially the same source as this Loan Agreement have been or will be issued, sold or delivered within fifteen (15) days prior to or subsequent to the Closing Date. The Governmental Unit hereby further represents and covenants to comply with Section 7.6 hereof, which designates this Loan Agreement as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code.

(x) Use of State Fire Protection Fund Revenues. The Governmental Unit will take no action with respect to the Project that would constitute a violation of the terms of Sections 59A-53-7 through 59A-53-10, NMSA 1978, as the same may be amended or recompiled from time to time.

Section 2.2 Representations, Covenants and Warranties of the Finance Authority. The Finance Authority represents, covenants and warrants for the benefit of the Governmental Unit as follows:

(a) Authorization of Loan Agreement and Intercept Agreement. The Finance Authority is a public body politic and corporate constituting a governmental instrumentality, separate and apart from the State, duly organized, existing and in good standing under the laws of the State, has all necessary power and authority to enter into and perform and observe the covenants

and agreements on its part contained in this Loan Agreement and the Intercept Agreement and, by proper action, has duly authorized the execution and delivery of this Loan Agreement and the Intercept Agreement based upon the Finance Authority's findings that:

(i) The Governmental Unit is a disadvantaged qualified entity in that its median household income is \$22,336, which is less than seventy-five percent (75%) of the State median household income of \$44,927.

(ii) The Project is important to the overall capital needs of the State and directly enhances the health and safety of the citizens of the Governmental Unit.

(b) Assignment of Rights. The Finance Authority may not pledge or assign the Pledged Revenues, the Loan Agreement Payments or any of its other rights under this Loan Agreement and the Intercept Agreement except to the Trustee pursuant to the Indenture.

(c) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement or the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement or the Intercept Agreement, nor the consummation of the transactions contemplated in this Loan Agreement or the Intercept Agreement, conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the Finance Authority is a party or by which the Finance Authority is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or resolution of any court, government or governmental authority having jurisdiction over the Finance Authority or its property and which conflict or violation will have a material adverse effect on the Finance Authority or the financing of the Project.

(d) No Litigation. To the knowledge of the Finance Authority, there is no litigation or proceeding pending or threatened against the Finance Authority or any other person affecting the right of the Finance Authority to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement and the Intercept Agreement requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

(e) Legal, Valid and Binding Obligations. This Loan Agreement and the Intercept Agreement constitute the legal, valid and binding obligations of the Finance Authority enforceable in accordance with their terms.

ARTICLE III
LOAN AGREEMENT TERM

The Loan Agreement Term shall commence on the Closing Date and shall not terminate until this Loan Agreement has been paid in full or provision for the payment of this Loan Agreement has been made pursuant to Article VIII hereof.

ARTICLE IV
LOAN; APPLICATION OF MONEYS

On the Closing Date, the Finance Authority shall transfer the Loan Agreement Principal Amount as follows:

(a) To the Trustee, the amount shown on the Term Sheet as the Program Account deposit shall be deposited into the Governmental Unit's Program Account to be maintained by the Trustee pursuant to the Indenture and disbursed pursuant to Section 6.2 hereof at the direction of the Governmental Unit as needed by the Governmental Unit for the Project; and

(b) To the Finance Authority, the amount shown on the Term Sheet as the Finance Authority Debt Service Account deposit shall be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 hereof; and

(c) To the Finance Authority, payment in the amount shown on the Term Sheet as the Processing Fee.

ARTICLE V
LOAN TO THE GOVERNMENTAL UNIT;
PAYMENTS BY THE GOVERNMENTAL UNIT

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the Finance Authority an amount equal to the Loan Agreement Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein, the Loan Agreement Payments as herein provided. The Governmental Unit does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Governmental Unit in and to: (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on parity with the Parity Obligations; (ii) the Finance Authority Debt Service Account, such account being held by the Finance Authority; (iii) the Program Account, such account being held by the Trustee; and (iv) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments and Additional Payment Obligations; provided, however, that if the Governmental Unit, its successors or assigns, shall well and truly pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, then, upon such final payment or provision for payment by the Governmental Unit, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement

Payments shall, in the aggregate, be sufficient to pay the Principal Component and Interest Component when due, the payment schedule of which is attached hereto as Exhibit "B."

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that this Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. As provided in the Intercept Agreement the Distributing State Agency shall cause to be transferred from the Pledged Revenues the amounts provided in subsections (a)(i) and (ii) of this Section 5.2 for deposit into the Finance Authority Debt Service Account. The Finance Authority Debt Service Account shall be established and held by the Finance Authority on behalf of the Governmental Unit. All Pledged Revenues received by the Finance Authority pursuant to the Intercept Agreement shall be accounted for and maintained on an ongoing basis by the Finance Authority in the Finance Authority Debt Service Account and all Loan Agreement Payments shall be remitted to the Trustee. The amount on deposit in the Finance Authority Debt Service Account shall be expended and used by the Finance Authority or the Trustee, as the case may be, only in the manner and order of priority specified below.

(a) As a first charge and lien, but not an exclusive first charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations), the Governmental Unit shall remit to the Finance Authority and the Finance Authority shall transfer and deposit into the Finance Authority Debt Service Account the following from the Pledged Revenues received pursuant to the Intercept Agreement from the Governmental Unit, which the Finance Authority shall transfer to the Trustee in accordance with the Indenture:

(i) Interest Components. Annually, (A) beginning in July, 2017, an amount necessary to pay the first two maturing Interest Components coming due on this Loan Agreement (which are due November 1, 2017 and May 1, 2018), and (B) in each July thereafter, the amount necessary to pay the next two maturing Interest Components on this Loan Agreement during the Loan Agreement Term, as described in Exhibit "B;"

(ii) Principal Payments. Annually, (A) beginning in July, 2017 an amount necessary to pay the first maturing Principal Component coming due on this Loan Agreement (which is due May 1, 2018), and (B) in each July thereafter, the amount necessary to pay the next maturing Principal Component on this Loan Agreement during the Loan Agreement Term, as described in Exhibit "B."

(b) Each Loan Agreement Payment shall be transferred by the Finance Authority from the Finance Authority Debt Service Account to the Trustee.

(c) Subject to the foregoing deposits, the Finance Authority or the Trustee shall annually use the balance of the Pledged Revenues received, if any, at the request of the Governmental Unit: (i) to credit against upcoming Loan Agreement Payments; or (ii) to distribute to the Governmental Unit's account in the State Fire Protection Fund maintained by the State Treasurer for any purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 11.1 herein, for remittance to the Trustee. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority, the Trustee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4 Disposition of Payments by the Trustee. The Trustee shall deposit all moneys received from the Finance Authority under this Loan Agreement in accordance with the Indenture.

Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from the Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing two hundred percent (200%) of the combined maximum Aggregate Annual Debt Service Requirements coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's Treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement.

Section 5.6 Refunding Obligations. The provisions of Section 5.5 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (e) of Section 5.5 hereof and in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded are Parity Obligations and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of the same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.7 Investment of Governmental Unit Funds. Money on deposit in the Finance Authority Debt Service Account established by the Finance Authority may be invested by the Finance Authority in Permitted Investments at the discretion of the Finance Authority. Money on deposit in the Program Account held by the Trustee and created hereunder may be invested by the Trustee in Permitted Investments at the written direction of the Finance Authority or at the discretion of the Trustee. Any earnings on any of said accounts shall be held and administered in the account and utilized in the same manner as the other moneys on deposit therein.

Section 5.8 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI THE PROJECT

Section 6.1 Agreement To Acquire and Complete the Project. The Governmental Unit hereby agrees that to effectuate the purposes of this Loan Agreement and to effectuate the acquisition of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general, do all things which may be requisite or proper to complete the Project. The Governmental Unit agrees to acquire the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements From the Program Account. So long as no Event of Default shall occur, the Trustee shall disburse moneys from the Program Account in accordance with

Section 6.2 of the Indenture upon receipt by the Trustee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit.

No disbursement shall be made from the Program Account without the approval of Bond Counsel: (i) to reimburse the Governmental Unit's own funds for expenditures made prior to the Closing Date; (ii) to refund or advance refund any tax-exempt obligations issued by or on behalf of the Governmental Unit; (iii) to be used, directly or indirectly, to finance a project used or to be used in the trade or business of a person who is not a "governmental unit," within the meaning of Section 141(b)(6) of the Code; or (iv) to expend funds after the date that is three (3) years after the execution and delivery of this Loan Agreement.

Section 6.3 Completion of Acquisition of the Project. Upon completion of the acquisition of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority and the Trustee substantially in the form of Exhibit "D" attached hereto stating that, to the best of his or her knowledge, the Project has been completed and accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the Project as signified by delivery of the completion certificate contemplated in Section 6.3 hereof, or in the event that the Finance Authority and the Trustee shall not have received a certificate of completion as required by Section 6.3 hereof by the date three (3) years from the Closing Date (or such later date as is approved in writing by Bond Counsel), the Trustee shall transfer the amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Finance Authority Debt Service Account and such amounts shall be used for the payment of Loan Agreement Payments.

ARTICLE VII COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.3 Requirements of Law. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto, the Project or the Pledged Revenues.

Section 7.4 First Lien; Equality of Liens. The Loan Agreement Payments constitute an irrevocable first lien (but not necessarily an exclusive first lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a first lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.5 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

Section 7.6 Bank Designation of Loan Agreement. For purposes of and in accordance with Section 265 of the Code, the Governmental Unit hereby designates this Loan Agreement as an issue qualifying for the exception for certain qualified tax-exempt obligations to the rule denying banks and other financial institutions 100% of the deduction for interest expenses which is allocable to tax-exempt interest. The Governmental Unit reasonably anticipates that the total amount of tax exempt obligations (other than obligations described in Section 265(b) (3) (C) (ii) of the Code) which will be issued by the Governmental Unit and by any aggregated issuer during the current calendar year will not exceed \$10,000,000. For purposes of this Section 7.6, "aggregated issuer" means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e). The Governmental Unit hereby represents that: (a) it has not created and does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 265(b) (3) (C) or (D) of the Code; and (b) the total amount of obligations so designated by the Governmental Unit, and all aggregated issuers for the current calendar year does not exceed \$10,000,000.

Section 7.7 Arbitrage Rebate Exemption. The Governmental Unit hereby certifies and warrants, for the purpose of qualifying for the exception contained in Section 148(f)(4)(D) of the Code, to the requirement to rebate arbitrage earnings from investments of the proceeds of the Loan Agreement (the "Rebate Exemption"), that: (i) this Loan Agreement is issued by the Governmental Unit which has general taxing powers; (ii) neither this Loan Agreement nor any portion thereof is a private activity bond as defined in Section 141 of the Code ("Private Activity Bond"); (iii) all of the net proceeds of this Loan Agreement are to be used for local government activities of the Governmental Unit (or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the Governmental Unit); and (iv) neither the Governmental Unit nor any aggregated issuer has issued or is reasonably expected to issue any Tax-Exempt Bonds other than (A) Private Activity Bonds (as those terms are used in Section 148(f)(4)(D) of the Code) and (B) issued to refund (other than to advance refund (as used in the Code)) any bond to the extent the amount of the refunding bond does not exceed the outstanding amount of the refunded bond, during the current calendar year, which would in the aggregate amount exceed \$5,000,000. For purposes of this paragraph, "aggregated issuer" means any entity which: (a) issues obligations on behalf of the Governmental Unit; (b) derives its issuing authority from the Governmental Unit; or (c) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury

Regulation Section 1.150-1(e). The Governmental Unit hereby represents that it has not created, does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 148(f)(4)(D) of the Code.

Accordingly, with respect to the Loan Agreement, the Governmental Unit will qualify for the rebate exemption granted under Section 148(f)(4)(D) of the Code and the Governmental Unit shall be treated as meeting the requirements of paragraphs (2) and (3) of Section 148(f) of the Code relating to the required rebate of arbitrage earnings to the United States.

The Governmental Unit hereby further represents and covenants that if it is determined that rebatable arbitrage, as that term is defined under Section 148 of the Code and related regulations, is required to be paid to the United States, that it will pay such rebatable arbitrage.

ARTICLE VIII PREPAYMENT OF LOAN AGREEMENT PAYMENTS

Section 8.1 Prepayment. The Governmental Unit is hereby granted the option to prepay any of the Principal Components of this Loan Agreement in whole or in part on any day on or after one (1) year following the Closing Date without penalty or prepayment premium. The Governmental Unit may designate the due dates of any Principal Components being prepaid in the event of a partial prepayment. Notice of intent to make such prepayment shall be provided to the Finance Authority and the Trustee by the Governmental Unit no less than forty-five (45) days prior to the prepayment date. The Trustee shall recalculate the Loan Agreement Payments due under this Loan Agreement in the event of a partial prepayment in a manner which is consistent with the manner in which the Bonds, if any, are prepaid.

Section 8.2 Defeasance. Should the Governmental Unit pay or make provision for payment of the Loan such that all amounts due pursuant to this Loan Agreement shall be deemed to have been paid and defeased, then the Loan Agreement Payments hereunder shall also be deemed to have been paid, the Governmental Unit's payment obligations hereunder shall be terminated, this Loan Agreement and all obligations contained herein shall be discharged and the pledge hereof released. Such payment shall be deemed made when the Governmental Unit has deposited with an escrow agent, in trust, (i) moneys sufficient to make such payment, and/or (ii) noncallable Government Obligations maturing as to principal and interest in such amount and at such times as will ensure the availability of sufficient moneys to make such payment and when all necessary and proper expenses of the Finance Authority have been paid or provided for. In the event the Governmental Unit makes provisions for defeasance of this Loan Agreement, the Governmental Unit shall cause to be delivered (1) a report of an independent nationally recognized certified public accountant verifying the sufficiency of the escrow established to pay this Loan Agreement in full when due or upon an irrevocably designated prepayment date, and (2) an opinion of Bond Counsel to the effect that this Loan Agreement is no longer outstanding, each of which shall be addressed and delivered to the Finance Authority. Governmental Obligations within the meaning of this Section 8.2, unless otherwise approved by the Finance Authority, shall include only (1) cash, (2) U.S. Treasury Certificates, Notes and Bonds (including State and Local Government Series – "SLGs"), and (3) obligations the principal of and interest on which are unconditionally guaranteed by the United States of America.

ARTICLE IX INDEMNIFICATION

From and to the extent of the Pledged Revenues, and to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and the Trustee harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition or operation of the Project during the Loan Agreement Term, from: (i) any act of negligence or other misconduct of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit shall indemnify and save the Finance Authority and the Trustee harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the Trustee, shall defend the Finance Authority or the Trustee, as applicable, in any such action or proceeding.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an Event of Default under this Loan Agreement:

(a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Governmental Unit by the Finance Authority or the Trustee unless the Finance Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority or the Trustee but cannot be cured within the applicable thirty (30) day period, the Finance Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default);

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect;

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within

thirty (30) days after such filing, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority or the Trustee may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement or the Intercept Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority and the Trustee under this Loan Agreement and the Intercept Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority or the Trustee; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or to enforce any other of its rights thereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the Finance Authority or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority or the Trustee to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority or the Trustee may in its discretion waive by written waiver any Event of Default hereunder and the consequences of such an Event of Default provided, however, that there shall not be waived: (i) any Event of Default in the payment of the principal of this Loan Agreement at the date when due as specified herein; or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payments of principal and all expenses of the Finance Authority or the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority and the Trustee shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit shall default under any of the provisions hereof and the Finance Authority or the Trustee shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority or the Trustee, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.

INTERCEPT AGREEMENT

This INTERCEPT AGREEMENT is made and entered into July 8, 2016, by and between the NEW MEXICO FINANCE AUTHORITY (the "Finance Authority"), a public body politic and corporate constituting a governmental instrumentality separate and apart from the State of New Mexico (the "State") under the laws of the State and QUAY COUNTY, NEW MEXICO, a political subdivision duly organized and existing under the laws of the State (the "Governmental Unit").

WITNESSETH:

WHEREAS, Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, authorized the creation of the Finance Authority within the State to assist in financing the cost of public projects of participating qualified entities, including the Governmental Unit, such as financing the cost of purchasing and equipping a new brush truck for use by the Conservancy #1 Volunteer Fire Department within the geographic limits of the Governmental Unit; and

WHEREAS, pursuant to Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, and Sections 4-62-1 through 4-62-10, NMSA 1978, as amended, (collectively, the "Act") the Finance Authority and the Governmental Unit are authorized to enter into agreements to facilitate the financing of the Project as described in the Loan Agreement by and between the Finance Authority and the Governmental Unit of even date herewith; and

WHEREAS, the Governmental Unit desires to acquire the Project which acquisition is permitted under the Act; and

WHEREAS, the Finance Authority has established its Loan Program (the "Program") funded by its public project revolving fund (as defined in the Act) for the financing of infrastructure and equipment projects upon the execution of the Loan Agreement and the assignment of loan agreements to a trustee (the "Trustee"); and

WHEREAS, the Governmental Unit desires to borrow \$176,323 from the Program for the purpose of financing the acquisition of the Project, which Loan is to be governed by this Intercept Agreement and by the Loan Agreement, respectively; and

WHEREAS, the Act confers upon the Finance Authority the authority to loan funds to the Governmental Unit to finance the Project, and Section 59A-53-7, NMSA 1978, as amended, authorizes the Governmental Unit to direct that its distribution of fire protection funds from the State Treasurer be paid to the Finance Authority or its assignee, to secure payments under the Loan Agreement;

NOW THEREFORE, the parties hereto agree:

Unless otherwise defined in this Intercept Agreement and except where the context by clear implication otherwise requires, capitalized terms used in this Intercept Agreement shall

have for all purposes of this Intercept Agreement the meanings assigned thereto in the Loan Agreement and the Indenture, as defined in the Loan Agreement.

Section 1. Authorization to the Finance Authority. The Governmental Unit hereby recognizes that the Finance Authority has made a Loan to the Governmental Unit in the amount of \$176,323 to finance the acquisition of the Project. Pursuant to the Loan Agreement and this Intercept Agreement, the Loan and all Loan Agreement Payments on the Loan made by or on behalf of the Governmental Unit shall be collected by the Finance Authority and remitted to the Trustee. All payments due on the Loan from the Pledged Revenues shall be paid by the Distributing State Agency to the Finance Authority or its designee, on behalf of the Governmental Unit, from scheduled distributions of the Pledged Revenues in accordance with the Intercept Schedule attached hereto as Exhibit "A" (the "Intercept Schedule").

This Intercept Agreement shall be deemed a written certification, authorization and request by the Governmental Unit to the Distributing State Agency to pay to the Finance Authority, on behalf of the Governmental Unit, sums shown on the Intercept Schedule from annual distributions of the Pledged Revenues pursuant to Section 59A-53-7, NMSA 1978, as amended, to insure compliance with the Loan Agreement and repayment of the Loan. Upon written notice to the Distributing State Agency from the Finance Authority, the amount of the Pledged Revenues to be paid to the Finance Authority shall be increased from the amounts shown on Exhibit "A" to defray any delinquencies in the Finance Authority Debt Service Account or Loan Agreement Reserve Account, if any, established for the Governmental Unit. Any accumulation of the Pledged Revenues in an amount in excess of the next Loan Agreement Payment and the Loan Agreement Reserve Requirement, if any, shall be redirected by the Finance Authority to the benefit of the Governmental Unit on a timely basis as provided in Section 5.2 of the Loan Agreement.

To the extent that the Pledged Revenues are insufficient to meet the debt service requirements due on the Loan and other Parity Obligations (as defined in the Loan Agreement) now or hereafter issued or incurred, the amounts intercepted under this Intercept Agreement shall be applied to allow partial payment on a pro-rata basis of the debt service due and owing on the Loan Agreement and other Parity Obligations.

Section 2. Term; Amendments. This Intercept Agreement will remain in full force and effect from its effective date as herein provided until such time as the Loan made pursuant to the Loan Agreement and this Intercept Agreement have been paid in full. Nothing herein shall be deemed in any way to limit or restrict the Governmental Unit from issuing its own obligations, providing its own program or participating in any other program for the financing of public projects which the Governmental Unit may choose to finance. This Intercept Agreement may be amended only by written instrument signed by the parties hereto.

Section 3. Authorization. The execution and performance of the terms of this Intercept Agreement have been authorized and approved by Resolution No. 30, passed and adopted on May 23, 2016 by the Governing Body of the Governmental Unit, which Resolution is in full force and effect on the date hereof.

Section 4. Severability of Invalid Provisions. If any one or more of the provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such provision shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of any of the other provisions hereof.

Section 5. Counterparts. This Intercept Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 6. Further Authorization. The Governmental Unit agrees that the Finance Authority shall do all things necessary or convenient to the implementation of the Program to facilitate the Loan to the Governmental Unit.

Section 7. Effective Date. This Intercept Agreement shall take effect on the Closing Date of the Loan.

Section 8. Initial Intercept Date. As indicated on the Intercept Schedule, the first distribution of the Pledged Revenues that is to be intercepted by the Distributing State Agency under the terms of this Intercept Agreement consist of Pledged Revenues due to the Governmental Unit distributed beginning in July, 2017.

Section 9. Final Intercept Date. Once the Loan has been fully paid off and satisfied, Finance Authority shall provide written notice to the Distributing State Agency to discontinue the interception of the Governmental Unit's Pledged Revenues.

The Loan Agreement permits the Governmental Unit to issue additional bonds or other obligations with a lien on the Pledged Revenues on a parity with or subordinate to the lien of the Loan Agreement on the Pledged Revenues upon satisfaction of the conditions set forth in the Loan Agreement.

16. There is no threatened action, suit, proceeding, inquiry or investigation against the Governmental Unit, at law or in equity, by or before any court, public board or body, nor to the Governmental Unit's knowledge is there any basis therefor, affecting the existence of the Governmental Unit or the titles of its officials to their respective offices, or seeking to prohibit, restrain or enjoin the pledge of revenues or assets of the Governmental Unit pledged or to be pledged to pay the principal, premium, if any, and interest on the Loan Agreement, or in any way materially adversely affecting or questioning: (a) the territorial jurisdiction of the Governmental Unit; (b) the use of the proceeds of the Loan Agreement for the Project and to pay certain costs of the Finance Authority associated with the administration of its public projects revolving fund loan program; (c) the validity or enforceability of the Loan Agreement, the Intercept Agreement or any proceedings of the Governmental Unit taken with respect to the Loan Agreement, the Intercept Agreement or the Resolution; (d) the execution and delivery of the Loan Agreement or the Intercept Agreement; or (e) the power of the Governmental Unit to carry out the transactions contemplated by the Loan Agreement, the Intercept Agreement or the Resolution.

17. The Governmental Unit has complied with all the covenants and satisfied all the conditions on its part to be performed or satisfied at or prior to the date hereof, and the representations and warranties of the Governmental Unit contained in the Loan Agreement and in the Resolution are true and correct as of the date hereof.

18. The Governmental Unit is not in default, and has not been in default within the ten (10) years immediately preceding the date of this Certificate, in the payment of principal of, premium, if any, or interest on any bonds, notes or other obligations which it has issued, assumed

or guaranteed as to payment of principal, premium, if any, or interest except that no representation is made with respect to industrial revenue bonds or conduit bonds payable solely from installment sale or lease payments, loan repayments or other amounts received by the Governmental Unit from private entities.

19. To the best of our knowledge, neither the Chairman of the Board of County Commissioners, the County Manager, the County Clerk, any member of the Governing Body, nor any other officer, employee or other agent of the Governmental Unit is interested (except in the performance of his or her official rights, privileges, powers and duties), directly or indirectly, in the profits of any contract, or job for work, or services to be performed and appertaining to the Project.

20. Regular meetings of the Governing Body have been held in the Commission Chambers at 300 South Third Street, Tucumcari, New Mexico, one of the principal meeting places of the Governing Body.

21. The Governing Body has no rules of procedure which would invalidate or make ineffective the Resolution or other action taken by the Governing Body in connection with the Loan Agreement. Open Meetings Act Resolution No. 16 adopted and approved by the Governing Body on December 14, 2015, establishes notice standards as required by Sections 10-15-1 through 10-15-4, NMSA 1978. Open Meetings Act Resolution No. 16 has not been amended or repealed. All action of the Governing Body with respect to the Loan Agreement, the Intercept Agreement and the Resolution was taken at meetings held in compliance with Open Meetings Act Resolution No. 16.

22. The *Quay County Sun* is a legal newspaper which maintains an office and is of general circulation in the Governmental Unit.

23. The Pledged Revenues from the Fiscal Year immediately preceding the Closing Date were equal to or exceeded, and, on an ongoing basis during each year of the Loan Agreement Term, are reasonably expected to equal or exceed two hundred percent (200%) of the maximum Aggregate Annual Debt Service Requirement.

24. The Pledged Revenues may lawfully be pledged to secure the payment of amounts due under the Loan Agreement.

25. The Chairman of the Board of County Commissioners and the County Clerk, on the date of the signing of the Loan Agreement and the Intercept Agreement and on the date of this Certificate, are the duly chosen, qualified and acting officers of the Governmental Unit authorized to execute such agreements.

26. This Certificate is for the benefit of the Finance Authority.

27. This Certificate may be executed in counterparts.

Paragraphs 1, 2, 3, 5, 6, 7, 8, 9, 10, 11, 13, 14, 16, 17, 18, 20, 21, 22, 24 and 25 are approved and confirmed.

Tim Rose, Esq., Attorney for
Quay County, New Mexico

Governmental Unit reasonably expects that the completion of the Project and expenditure of the Proceeds will proceed with due diligence to completion and that all of the Proceeds will be expended within three (3) years of the date hereof.

The estimated total costs of the Project will not be less than \$175,000.00 plus investment earnings thereon during the acquisition period.

Proceeds in the amount of \$1,322.42 will be deducted from the Proceeds and paid directly to the Finance Authority as the Processing Fee for the costs of originating and servicing the Loan.

Proceeds in the amount of \$0.58 will be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 of the Loan Agreement.

6. Investment of Proceeds. Except for the investment of the Proceeds in the Program Account established under the Indenture with respect to the Loan Agreement pending the payment of the costs of the Project and in the Finance Authority Debt Service Account established and administered by the Finance Authority pending the payment of debt service on the Loan Agreement, there will be no investment of the Proceeds.

7. Bona Fide Debt Service Fund. Debt service payments on the Loan Agreement will be paid from the Pledged Revenues of the Governmental Unit deposited to the Finance Authority Debt Service Account created with respect to the Loan Agreement. Because the Pledged Revenues of the Governmental Unit for any year will exceed debt service on the Loan Agreement, it is assumed that current debt service paid by the Governmental Unit for deposit in the Finance Authority Debt Service Account will be derived entirely from the current Pledged Revenues. The Finance Authority Debt Service Account will be depleted at least once a year except for an amount not to exceed the greater of the earnings on the Finance Authority Debt Service Account for the immediately preceding bond year or one-twelfth (1/12th) of debt service on the Loan for the immediately preceding bond year. The Governmental Unit has not created or established, nor does it expect to create or establish, any debt service fund, redemption fund, replacement fund, sinking fund or other similar fund which is reasonably expected to be used to pay principal or interest on the Loan Agreement or pledged therefor, except for the Finance Authority Debt Service Account.

8. No Disposition of Project. The undersigned reasonably expect that no part of the Project acquired with the Proceeds will be sold or otherwise disposed of, in whole or in part, during the term of the Loan Agreement.

9. General Tax Covenant. The Governmental Unit has covenanted in the Loan Agreement that no use will be made of the Proceeds, or any funds or accounts of the Governmental Unit which may be deemed to be gross proceeds of the Loan Agreement, which use, if it had been reasonably expected on the date hereof, would have caused the Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. The Governmental Unit has further obligated itself in the Loan Agreement to comply throughout the term of the Loan Agreement with the requirements of Sections 103 and 141

through 150 of the Code and regulations proposed or promulgated with respect thereto. Pursuant to the Loan Agreement, the Governmental Unit shall be liable for any rebatable arbitrage payable pursuant to Sections 103 and 141 through 150 of the Code and regulations proposed or promulgated with respect thereto. Any such liability shall be payable solely from the Pledged Revenues.

10. Private Business Use Limitations. None of the Proceeds will be used by a private business or any entity other than a governmental unit or secured by payments from or property of a private business or any entity other than a governmental unit except pursuant to a management contract which conforms with Revenue Procedure 97-13 of the United States Treasury as modified by Revenue Procedure 2001-39 of the United States Treasury. For purposes of the preceding sentence a governmental unit does not include the United States Government or any agency or instrumentality thereof.

11. No Common Plan of Financing. There are no other obligations which are being issued or sold at substantially the same time as the Loan Agreement pursuant to a common plan of financing with the Loan Agreement and that will be paid out of the Pledged Revenues or will have substantially the same claim to be paid out of the Pledged Revenues as the Loan Agreement.

12. No Federal Guarantees. The Loan is not federally guaranteed within the meaning of Section 149(b) of the Code.

13. Information Filing. Loan Counsel for the Finance Authority, on behalf of the Governmental Unit, will timely file the Form 8038-G with respect to the Loan Agreement attached hereto as Exhibit "A" with the Internal Revenue Service. The Finance Authority has verified certain information necessary to complete the Form 8038-G as shown on the Finance Authority Certificate attached hereto as Exhibit "B".

14. Hedge Bonds. The Loan is not a hedge bond as defined in Section 149 of the Code.

15. No Reimbursement. None of the Proceeds will be used to reimburse the Governmental Unit for costs paid for the Project more than sixty (60) days prior to the date hereof.

16. No Refunding. Proceeds of the Loan are not being used to refund any other obligation of the Governmental Unit.

17. Economic Life of Project. The weighted average maturity of 6.331 years of the Loan Agreement does not exceed 120% of the reasonably expected economic life of the Project, which is ten (10) years.

18. Qualified Tax-Exempt Obligations. The Loan Agreement is a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code. The Governmental Unit represents that the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Governmental Unit during the current calendar year does not exceed

\$10,000,000 and the Governmental Unit will not designate more than \$10,000,000 of “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. For purposes of this Section, “aggregated issuer” means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e).

19. Rebate Exception. The Governmental Unit is a governmental unit with general taxing powers, no part of the Loan Agreement is a private activity bond, ninety-five percent (95%) or more of the proceeds are to be used for local governmental activities of the Governmental Unit and, the aggregate face amount of all tax-exempt obligations issued by the Governmental Unit during the current calendar year is not reasonably expected to exceed \$5,000,000. There are no subordinate entities of the Governmental Unit which are authorized to issue tax-exempt obligations. If the Governmental Unit fails to satisfy all of the provisions of this paragraph 19 for any reason, as provided in the Loan Agreement and consistent with the covenants of the Governmental Unit contained therein, any rebate owed to the United States Treasury will be paid in the amounts and at the times provided in Section 148 of the Code.

20. Record Retention. The Governmental Unit will manage and retain records related to the Loan as follows:

A. Records will be retained for the life of the Loan, including any refunding loans related thereto, plus three (3) years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to the Loan and compliance functions;

B. Basic records relating to the Loan transaction, including transcript documents executed in connection with the issuance of the Loan (i.e., the authorizing documents, Form 8038-G, the tax certificate, and any elections made with respect to the Loan, if applicable), any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T;

C. Records pertaining to the use of Loan-financed facilities by public and private sources including copies of management agreements and research agreements;

D. Records pertaining to expenditures of Loan proceeds including requisitions, appraisal and property purchase contracts, account statements, invoices, payment vouchers, and the final allocation of proceeds to expenditures;

E. Records pertaining to all sources of payment or security for the Loan; and

F. Records pertaining to investments including guaranteed investment contract documents under the Treasury Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

[Signature page follows]

This certificate is being executed and delivered to establish the reasonable expectations of the Governmental Unit for purposes of Sections 103 and 141 through 148 of the Code, and the undersigned officers of the Governmental Unit are the officers of the Governmental Unit charged with the responsibility of entering into the Loan Agreement. The foregoing is based upon the reasonable expectations of the undersigned on the date hereof, and to the best of our knowledge, information and belief, the above expectations are reasonable.

QUAY COUNTY, NEW MEXICO
NEW MEXICO FINANCE AUTHORITY LOAN

STATE OF NEW MEXICO)
QUAY COUNTY) ss. PLEDGED REVENUE CERTIFICATE

WHEREAS, Quay County, New Mexico (the "Governmental Unit") pursuant to a Resolution No. 2010-2011 #2 adopted on August 9, 2010 relating to the execution and delivery of the Loan Agreement and the Intercept Agreement (the "2010 Resolution"), executed and delivered a Loan Agreement between the Governmental Unit and the New Mexico Finance Authority (the "Finance Authority") in the aggregate principal amount of \$60,900 (the "2010 Loan Agreement"). The 2010 Loan Agreement is payable from the distribution of State Fire Protection Fund revenues distributed annually by the State Treasurer for the Conservancy #1 Volunteer Fire Department (the "Pledged Revenues").

WHEREAS, the Governmental Unit pursuant to Resolution No. 30 adopted on May 23, 2016 (the "2016 Resolution"), intends to execute and deliver on the date hereof its Finance Authority Loan Agreement in the aggregate principal amount of \$176,323 for the purpose of purchasing and equipping a new Brush Truck for the Conservancy #1 Volunteer Fire Department within the Governmental Unit (the "2016 Loan Agreement") payable from the Pledged Revenues, as set forth in the 2016 Loan Agreement.

WHEREAS, Section 5.5, "Additional Parity Obligations" of 2010 Loan Agreement provides as follows:

"Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

- (a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account as provided herein.
- (b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.
- (c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any 12 consecutive months out of the 24 months preceding the date of

the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing one hundred twenty-five percent (125%) of the combined maximum Aggregate Annual Debt Service Requirements coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement."

1. We are familiar with the provisions of the Resolutions authorizing the execution and delivery of the 2010 Loan Agreement and the 2016 Loan Agreement, and with the provisions of the 2010 Loan Agreement and the 2016 Loan Agreement.

2. We are familiar with the books, accounts and funds of the Governmental Unit pertaining to the Pledged Revenues.

Two hundred percent (200%) of such amount is \$50,538.72. (A 200% test is required by the State Fire Marshal.)

9. The Pledged Revenues of \$84,279 (i.e., paragraph 7 above) for the fiscal year immediately preceding the date of the execution and delivery of the 2016 Loan Agreement were sufficient to pay an amount representing 200% of the combined maximum Aggregate Annual

Debt Service Requirements of \$50,538.72 on the 2010 Loan Agreement and the 2016 Loan Agreement.

10. This certificate is for the benefit of each holder from time to time of the 2016 Loan Agreement and for the benefit of bond counsel in rendering opinions to the effect that the 2016 Loan Agreement is secured by a lien pledge on the Pledged Revenues on a parity with the 2010 Loan Agreement.
