PUBLIC COMMENTS:

Gail Houser, Main Street Director thanked the Commissioners for their ongoing support of the Fired-Up event. Houser distributed invitations to attend the Ignite Dinner on Friday night and left posters and flyers with the schedule of events.

ONGOING BUSINESS: NONE

NEW BUSINESS:

Don Wideman, Dan C. Trigg Memorial Hospital Administrator requested approval of distribution of funds from the Mill Levy and GRT Payment for 3rd and 4th Quarters. The amount is \$250,000.00 for both August and October of 2016. A MOTION was made by Sue Dowell, SECONDED by Mike Cherry to approve payments. MOTION carried with Cherry voting "aye", McCasland voting "aye" and Dowell voting "aye".

Commissioner Dowell asked Mr. Wideman if the hospital was fully staffed and what the patient limit was. Wideman replied they are currently at a 7 bed patient limit. He reported all patients that have needed to be hospitalized and could be cared for locally have been without any transports needed due to availability of beds. Wideman reported the staff has stabilized. Wideman also stated free flu shots will be available soon.

Patsy Gresham, Quay County Treasurer joined the meeting. Time noted 9:10 a.m.

Sheriff Shafer presented the August Activity Report which is attached and made a part of these minutes. Shafer stated the office currently is fully staffed with the return of Deputy Smart. A new secretary has been hired. Rachael Burch started today and will train with Kay Nicoley until her retirement the end of this month. A pot-luck luncheon will be held for Nicoley on Friday, September 23 following the Commission Meeting.

Quay County Treasurer, Patsy Gresham requested approval of Resolution No. 23; Imposition of Administrative Fee. Gresham explained this is not a tax, but rather a fee that could be imposed on tax statements which are below \$5.00. The fee would increase any amount due below \$5.00 to be increased up to the amount of \$5.00. Gresham explained it is not cost effective to generate and mail notices to citizens for an amount of less than \$5.00. It's costing the County more to send the notices than to collect that small amount of tax due. Gresham said this fee is allowed for in State Statutes and every County of our size already has been enforcing this fee. The notices Quay County generates for taxes already includes this language, however a fee has never been charged. Gresham stated if this Resolution is passed the County could begin collecting this fee for the 2016 tax season as long as all the programming meets the requirements for collecting. If additional programming is required, the fee will not be imposed until 2017. A MOTION was made by Mike Cherry, SECONDED by Sue Dowell to approve Resolution No. 23. Commissioner Dowell said she hopes the public does not perceive this as an additional fee to those less fortunate. Gresham replied she believes there are over 200 taxpayers who this might apply to and some are large ranches where a small portion of land might be being assessed separately. Some are for small lots with no improvements with lots of exemptions. Gresham said it certainly did not target low income taxpayers. MOTION carried with Cherry voting "aye", Dowell voting "aye", and McCasland voting "aye". A copy is attached and made a part of these minutes.

Chairman McCasland asked Gresham to report back as to the status of implementing this fee, the number of taxpayers it will affect and any feedback from citizens.

Chris Birch, Quay County Detention Center Deputy Administrator joined the meeting. Time noted 9:25 a.m.

Chris Birch, Quay County Detention Center Deputy Administrator requested approval of Amendment #3 to the Summit Food Services Contract. Birch said they are very happy with the meals being provided. This Amendment is a 3% cost increase. A MOTION was made by Sue Dowell, SECONDED by Mike Cherry to approve said Contract Amendment. MOTION carried with Cherry voting "aye", Dowell voting "aye" and McCasland voting "aye". A copy is attached to these minutes.

Donald Adams, Quay County Fire Marshall requested approval of the following items:

1. FY2016-2017 Resolution No. 21; Authorizing the execution of a Loan Agreement between Quay County and NM Finance Authority in the amount of \$171,285 for the purchase of a 3000-gallon Tanker for the Quay Fire District. A MOTION was made by Mike Cherry, SECONDED by Sue Dowell to approve Resolution No. 21. MOTION carried with Cherry voting "aye", Dowell voting "aye" and McCasland voting "aye". A copy of said Resolution is attached and made a part of these minutes.
2. FY2016-2017 Resolution No. 22; Authorizing the execution of a Loan Agreement between Quay County and NM Finance Authority in the amount of \$100,756 for the purchase of a 3000-gallon Tanker for the Porter Fire District. A MOTION was made by Mike Cherry, SECONDED by Sue Dowell to approve Resolution No. 22. MOTION carried with Cherry voting "aye", Dowell voting "aye" and McCasland voting "aye". A copy of said Resolution is attached and made a part of these minutes.
3. Application for FY 17 Fire Protection Grant submitted by Quay Fire District 2. Adams said, this application was not received in a timely manner to be presented to the Commission at the appropriate time. It was however, submitted in time for the Grant Deadline. Commissioner Cherry stated he did not want this to become a habit by any department to be expecting items to be approved by the Commission when every other department makes the effort and gets the materials submitted on time. However, Cherry said he understands how critical this Grant can be for these departments so with that in mind, A MOTION was made by Mike Cherry SECONDED by Sue Dowell to approve the submission of this Grant by Rural 2 Fire District on a "one-time only" basis. Cherry asked Adams to let the Chief of that Department know this should not ever be late again. MOTION carried with Cherry voting "aye", Dowell voting "aye" and McCasland voting "aye".

Vic Baum, Quay County Assessor and his Chief Deputy, Janie Hoffman presented the 2016 Tax Rates as issued by DFA. A MOTION was made by Sue Dowell, SECONDED by Mike Cherry to approve the established rates from the State of New Mexico. MOTION carried with Cherry voting "aye", McCasland voting "aye" and Dowell voting "aye". A copy is attached to these minutes.

Larry Moore, Quay County Road Superintendent, gave the following report:

1. Reported the water services lines belonging to the City of Tucumcari are too shallow on Quay Road 63 and will need to be moved so the project can continue. Moore said the City is not willing to accept any financial responsibility so this will be an unexpected cost to this project. Quotes will be obtained for this service. Moore will keep the Commissioners informed.
2. The syphons on the Tucumcari Irrigation Lateral were also exposed and damaged causing some issues. Culverts will need to be installed when the irrigation season has come to an end. Meanwhile, they will try and divert the water if it begins to leak too much.
3. The fuel pump on the CAT dump truck went out. The vehicle is being repaired in Albuquerque.
4. Crews widened Quay Road AR (rollercoaster road) for access by the school bus while Quay Road 63 is closed. The road was increased to 22 feet in width.
5. Blade reports were enclosed in the board packets. Crews are currently in the Wheatland, McAlister and Forrest areas. Tony Gresham will report to the Nara Visa area tomorrow.
6. Agreements for the 2017 projects have not been received yet. The 2015 funds for CAP and COOP projects have been deposited.

Commissioner Dowell asked for updates on the following concerns:

1. Requested Larry Moore contact Tom Bruhn regarding Quay Road 72 and Quay Road Y.
2. Requested Moore or Primrose contact John Cammack. Primrose reported he spoke to him again this morning.
3. Denise Runyan sent thanks to Moore for the work she had requested.
4. Requested Moore contact Dennis Fury. Moore said he already spoke to him and his issue is being addressed today.
5. Requested an update on the concerns of Judy Jasper. Moore said the ruts have been smoothed out and the road is on the upcoming road projects. No additional work will be done until the crews are moved there for that project.

Commissioner Cherry voiced his concerns with the residents constantly contacting Commissioner Dowell with their complaints. Cherry said he believes those callers need to be directed to Richard Primrose or Larry Moore so they can handle the issue and not be held until a Commission Meeting. Cherry said he receives calls as well and gives the patrons the correct phone numbers and explains it is not his job to oversee employees and those road projects.

Commissioner Dowell said the people she gets calls from, for one reason or another, don't want to initiate that call to Primrose or Moore. Chairman McCasland stated that was not reasonable, as those people have to speak to Mr. Moore or Mr. Primrose regardless of whether they call them directly or are receiving a call back. Dowell said she is just fostering communications for citizens.

Richard Primrose, Quay County Manager presented the following items for approval:

1. Requested approval of the DFA Appropriation Project Agreement for the District Attorney's Office in the amount of \$150,000.00. Primrose reminded the Commissioners this was awarded during the last Legislative Session but the Agreement is just now arriving. A MOTION was made by Mike Cherry, SECONDED by Sue Dowell to approve said Agreement. MOTION carried with Cherry voting "aye", Dowell voting "aye" and McCasland voting "aye". A copy is attached and made a part of these minutes.

- A. The Project is needed to meet the needs of the Governmental Unit and its residents and the issuance and delivery of the Loan Agreement is necessary and advisable.
- B. Moneys available and on hand for the Project from all sources other than the Loan are not sufficient to defray the cost of acquiring the Project.

Section 5. Loan Agreement and Intercept Agreement - Authorization and Detail.

A. Authorization. This Resolution has been adopted by the affirmative vote of at least a majority of all of the members of the Governing Body. For the purpose of protecting the public health, conserving the property, protecting the general welfare and prosperity of the residents of the Governmental Unit and acquiring the Project, it is hereby declared necessary that the Governmental Unit, pursuant to the Act, execute and deliver the Loan Agreement evidencing a special, limited obligation of the Governmental Unit to pay a principal amount of \$171,285, plus interest thereon, and the execution and delivery of the Loan Agreement and the Intercept Agreement are hereby authorized. The Governmental Unit shall use the proceeds of the Loan to finance the Project and to pay the Processing Fee. The Project will be owned by the Governmental Unit.

B. Detail. The Loan Agreement and Intercept Agreement shall be in substantially the forms of the Loan Agreement and Intercept Agreement presented at the meeting of the Governing Body at which this Resolution was adopted. The Loan shall be in an original aggregate principal amount of \$171,285, shall be payable in installments of principal due on May 1 of the years designated in Exhibit "B" to the Loan Agreement and bear interest payable on May 1 and November 1 of each year, beginning on May 1, 2018, at the rates designated in Exhibit "B" to the Loan Agreement.

Section 6. Approval of Loan Agreement and Intercept Agreement. The Loan Agreement, together with interest thereon and other obligations of the Governmental Unit thereunder, shall be a special, limited obligation of the Governmental Unit, payable solely from the Pledged Revenues as provided in this Resolution and the Loan Agreement and shall not constitute a general obligation of the Governmental Unit or the State, and the holders of the Loan Agreement may not look to any general or other fund of the Governmental Unit for payment of the obligations thereunder. Nothing contained in this Resolution or in the Loan Agreement, or any other instruments, shall be construed as obligating the Governmental Unit (except with respect to the application of the Pledged Revenues), as incurring a pecuniary liability

or a charge upon the general credit of the Governmental Unit or against its taxing power, nor shall a breach of any agreement contained in this Resolution, the Loan Agreement, or any other instrument impose any pecuniary liability upon the Governmental Unit or any charge upon its general credit or against its taxing power. The Loan Agreement shall never constitute an indebtedness of the Governmental Unit within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Governmental Unit or a charge against its general credit or taxing power. Nothing herein shall prevent the Governmental Unit from applying other funds of the Governmental Unit legally available therefore to payments required by the Loan Agreement, in its sole and absolute discretion.

Section 8. Disposition of Proceeds: Completion of Acquisition of the Project.

A. Program Account and Finance Authority Debt Service Account. The Governmental Unit hereby consents to creation of the Finance Authority Debt Service Account to be held and maintained by the Finance Authority and to the Program Account, to be held and maintained by the Trustee pursuant to the Indenture, each in connection with the Loan. Until the Completion Date, the money in the Program Account shall be used and paid out solely for the purpose of acquiring the Project in compliance with applicable law and the provisions of the Loan Agreement and the Indenture.

The Governmental Unit will acquire the Project with all due diligence.

B. Completion of the Project. Upon the Completion Date, the Governmental Unit shall execute and send to the Finance Authority a certificate stating that acquisition of, and payment for, the Project have been completed. As soon as practicable, and, in any event, not more than sixty (60) days from the Completion Date, any balance remaining in the Program Account shall be transferred and deposited into the Finance Authority Debt Service Account, as provided in the Loan Agreement and the Indenture.

C. Finance Authority and Trustee Not Responsible. The Finance Authority and the Trustee shall in no manner be responsible for the application or disposal by the Governmental Unit or by its officers of the funds derived from the Loan Agreement or of any other funds herein designated.

Section 9. Deposit of Pledged Revenues, Distributions of the Pledged Revenues and Flow of Funds.

A. Deposit of Pledged Revenues. B. Termination on Deposits to Maturity. No payment shall be made into the Finance Authority Debt Service Account if the amount in the Finance Authority Debt Service Account totals a sum at least equal to the entire aggregate amount to become due as to principal, interest, if any, and any other amounts due under, the Loan Agreement, in which case moneys in such account in an amount at least equal to such principal and interest requirements shall be used solely to pay such obligations as the same become due, and any moneys in excess thereof in such accounts shall be transferred to the Governmental Unit and used as provided below.

C. Use of Surplus Revenues. After making all the payments hereinabove required to be made by this Section and any payments required by outstanding Parity Obligations, any moneys remaining in the Finance Authority Debt Service Account shall be transferred to the Governmental Unit on a timely basis and shall be applied to any other lawful purpose, including, but not limited to, the payment of any Parity Obligations or bonds or obligations subordinate and junior to the Loan Agreement, or other purposes authorized by the Governmental Unit, the Constitution and laws of the State, as the Governmental Unit may from time to time determine.

Section 10. Lien on Pledged Revenues. Pursuant to the Loan Agreement, the Pledged Revenues are hereby authorized to be pledged to, and are hereby pledged to, and the Governmental Unit grants a security interest therein for, the payment of the principal, interest, if any, and any other amounts due under the Loan Agreement, subject to the uses hereof permitted by and the priorities set forth in this Resolution. The Loan Agreement constitutes an irrevocable and first lien, but not necessarily an exclusive first lien, on the Pledged Revenues as set forth herein and therein and the Governmental Unit shall not create a lien on the Pledged Revenues superior to that of the Loan Agreement.

Section 11. Authorized Officers. Authorized Officers are hereby individually authorized and directed to execute and deliver any and all papers, instruments, opinions, affidavits and other documents and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution, the Loan Agreement, the Intercept Agreement and all other transactions contemplated hereby and thereby. Prior to the date of the initial delivery of the Loan Agreement to the Finance Authority, the provisions of this Resolution may be supplemented or amended by resolution of the Governing Body with respect to any changes which are not inconsistent with the substantive provisions of this Resolution. This Resolution may be amended

without receipt by the Governmental Unit of any additional consideration, but only with the prior written consent of the Finance Authority.

Section 13. Resolution Irrepealable. After the Loan Agreement and Intercept Agreement have been executed and delivered, this Resolution shall be and remain irrepealable until all obligations due under the Loan Agreement shall be fully paid, canceled and discharged, as herein provided.

Section 14. Severability Clause. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 15. Repealer Clause. All bylaws, orders, resolutions, and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

The Project will be acquired and completed so as to comply with all applicable ordinances, resolutions and regulations, if any, and any and all applicable laws relating to the acquisition and completion of the Project and to the use of the Pledged Revenues. The Project complies with Sections 59A-53-1 through 59A-53-19, NMSA 1978, as amended.

(g) Necessity of Project. The acquisition of the Project under the terms and conditions provided for in this Loan Agreement is necessary, convenient and in furtherance of the governmental purposes of the Governmental Unit and is in the best interests of the Governmental Unit and its residents.

(h) Legal, Valid and Binding Special Obligation. The Governmental Unit has taken all required action necessary to authorize the execution and delivery of this Loan Agreement and the Intercept Agreement, and this Loan Agreement and the Intercept Agreement constitute legal, valid and binding special obligations of the Governmental Unit enforceable in accordance with their terms.

(i) Loan Agreement Term. The weighted average maturity of 7.137 years of the Loan Agreement does not exceed 120% of the reasonably expected life of the Project, which is ten (10) years.

(j) Use of Project. During the Loan Agreement Term, the Project will at all times be used for the purpose of benefiting the Governmental Unit as a whole.

(k) No Private Activity. The Governmental Unit is a "governmental unit" within the meaning of Sections 103 and 141(b)(6) of the Code. In addition, no amounts disbursed from the Program Account and used to finance the Project shall be used in the trade or business of a person who is not a "governmental unit" within the meaning of Sections 103 and 141(b)(6) of the Code.

(l) No Excess Loan Agreement Proceeds. The amount loaned to the Governmental Unit under this Loan Agreement as set forth on the Term Sheet does not exceed the sum of: (i) the cost of the Project; and (ii) an amount necessary to pay the Processing Fee and the costs related to issuance of the Bonds, if any.

(m) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement and the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions in this Loan Agreement and the Intercept Agreement, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Governmental Unit is a party or by which the Governmental Unit is bound or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Governmental Unit or its properties are subject, or constitutes a default under any of the foregoing.

(n) Irrevocable Enactments. While this Loan Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Loan Agreement, including the Resolution shall be irrevocable until this Loan Agreement has been paid in full as to both principal and interest, and shall not be subject to amendment or modification in any manner which would in any way jeopardize the timely payment of Loan Agreement Payments.

(o) Outstanding Debt. Except for the Parity Obligations, if any, described on the Term Sheet, there are currently no outstanding bonds, notes or other obligations of the Governmental Unit which are payable from and secured by a parity lien on the Pledged Revenues. No additional indebtedness, bonds or notes of the Governmental Unit payable on a priority ahead of the indebtedness herein authorized out of the Pledged Revenues shall be created or incurred while this Loan Agreement remains outstanding.

(p) No Litigation. To the knowledge of the Governmental Unit, no litigation or proceeding is pending or threatened against the Governmental Unit or any other person affecting the right of the Governmental Unit to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Governmental Unit, nor compliance by the Governmental Unit with the obligations under such agreements, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(q) No Event of Default. No event has occurred and no condition exists which, upon the execution and delivery of this Loan Agreement and the Intercept Agreement, would constitute an Event of Default on the part of the Governmental Unit under this Loan Agreement or the Intercept Agreement.

(r) Pledged Revenues Not Budgeted. The portion of the Pledged Revenues necessary to pay the Loan Agreement Payments, as and when due, is not needed or budgeted to pay current or anticipated operational or other expenses of the Governmental Unit.

(s) Expected Coverage Ratio. The Pledged Revenues (giving credit for any increase in Pledged Revenues which has received final approval of the Governing Body and become effective) from the Fiscal Year immediately preceding the Closing Date were equal to or exceeded and, on an ongoing basis during each year of the Loan Agreement Term, are reasonably expected to equal or exceed, two hundred percent (200%) of the maximum Aggregate Annual Debt Service Requirement.

(t) No Extension of Interest Payments. The Governmental Unit will not extend or be a party to the extension of the time for paying any interest on this Loan Agreement.

(u) Governmental Unit's Existence. The Governmental Unit will maintain its corporate identity and existence so long as this Loan Agreement is unpaid, unless another political subdivision by operation of law succeeds to the liabilities and rights of the Governmental Unit without adversely affecting to any substantial degree the privileges and rights of the Finance Authority.

(v) Continuing Disclosure. The Governmental Unit covenants that it shall provide continuing disclosure to the Finance Authority, as the Finance Authority may require, that shall include, but not be limited to, annual audits, operational data required to update information in any disclosure documents used to assign or securitize the Loan Agreement Payments by issuance of Bonds by the Finance Authority pursuant to the Indenture, and notification of any event deemed material by the Finance Authority.

(w) Tax Covenants. The Governmental Unit covenants that it shall restrict the use of the proceeds of this Loan Agreement in such manner and to such extent, if any, as may be necessary so that this Loan Agreement will not constitute an "arbitrage bond" under Section 148 of the Code and that it shall pay any applicable rebate to the Internal Revenue Service. Authorized Officers of the Governmental Unit are hereby authorized and directed to execute an Arbitrage and Tax Certificate as may be required by the Finance Authority and such additional certificates as shall be necessary to establish that this Loan Agreement is not an "arbitrage bond" within the meaning of Section 148 of the Code and the Treasury Regulations promulgated or proposed with respect thereto, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150 as the same currently exist, or may from time to time hereafter be amended, supplemented or revised. The Governmental Unit covenants to comply with the provisions of any such Arbitrage and Tax Certificate and the provisions thereof will be incorporated herein by reference to the same extent as if set forth herein. The Governmental Unit covenants that no use will be made of the proceeds of this Loan Agreement, or any funds or accounts of the Governmental Unit which may be deemed to be Gross Proceeds (as defined in Treasury Regulation Section 1.148-1(b)) of this Loan Agreement, which use, if it had been reasonably expected on the Closing Date, would have caused this Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Pursuant to this covenant, the Governmental Unit obligates itself to comply throughout the Loan Agreement Term with the requirements of Sections 103 and 141 through 150 of the Code and the regulations proposed or promulgated with respect thereto. The Governmental Unit further represents and covenants that no bonds or other evidence of indebtedness of the Governmental Unit payable from substantially the same source as this Loan Agreement have been or will be issued, sold or delivered within fifteen (15) days prior to or subsequent to the Closing Date. The Governmental Unit hereby further represents and covenants to comply with Section 7.6 hereof, which designates this Loan Agreement as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code.

(x) Use of State Fire Protection Fund Revenues. The Governmental Unit will take no action with respect to the Project that would constitute a violation of the terms of Sections 59A-53-7 through 59A-53-10, NMSA 1978, as the same may be amended or recompiled from time to time.

Section 2.2 Representations, Covenants and Warranties of the Finance Authority. The Finance Authority represents, covenants and warrants for the benefit of the Governmental Unit as follows:

(a) Authorization of Loan Agreement and Intercept Agreement. The Finance Authority is a public body politic and corporate constituting a governmental instrumentality, separate and apart from the State, duly organized, existing and in good standing under the laws of the State, has all necessary power and authority to enter into and perform and observe the covenants

and agreements on its part contained in this Loan Agreement and the Intercept Agreement and, by proper action, has duly authorized the execution and delivery of this Loan Agreement and the Intercept Agreement based upon the Finance Authority's findings that:

(i) The Governmental Unit is a disadvantaged qualified entity in that its median household income is \$29,042, which is less than eighty percent (80%) of the State median household income of \$44,927.

(ii) The Project is important to the overall capital needs of the State and directly enhances the health and safety of the citizens of the Governmental Unit.

(b) Assignment of Rights. The Finance Authority may not pledge or assign the Pledged Revenues, the Loan Agreement Payments or any of its other rights under this Loan Agreement and the Intercept Agreement except to the Trustee pursuant to the Indenture.

(c) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement or the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement or the Intercept Agreement, nor the consummation of the transactions contemplated in this Loan Agreement or the Intercept Agreement, conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the Finance Authority is a party or by which the Finance Authority is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or resolution of any court, government or governmental authority having jurisdiction over the Finance Authority or its property and which conflict or violation will have a material adverse effect on the Finance Authority or the financing of the Project.

(d) No Litigation. To the knowledge of the Finance Authority, there is no litigation or proceeding pending or threatened against the Finance Authority or any other person affecting the right of the Finance Authority to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement and the Intercept Agreement requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

(e) Legal, Valid and Binding Obligations. This Loan Agreement and the Intercept Agreement constitute the legal, valid and binding obligations of the Finance Authority enforceable in accordance with their terms.

ARTICLE III
LOAN AGREEMENT TERM

The Loan Agreement Term shall commence on the Closing Date and shall not terminate until this Loan Agreement has been paid in full or provision for the payment of this Loan Agreement has been made pursuant to Article VIII hereof.

ARTICLE IV
LOAN; APPLICATION OF MONEYS

On the Closing Date, the Finance Authority shall transfer the Loan Agreement Principal Amount as follows:

(a) To the Trustee, the amount shown on the Term Sheet as the Program Account deposit shall be deposited into the Governmental Unit's Program Account to be maintained by the Trustee pursuant to the Indenture and disbursed pursuant to Section 6.2 hereof at the direction of the Governmental Unit as needed by the Governmental Unit for the Project; and

(b) To the Finance Authority, the amount shown on the Term Sheet as the Finance Authority Debt Service Account deposit shall be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 hereof; and

(c) To the Finance Authority, payment in the amount shown on the Term Sheet as the Processing Fee.

ARTICLE V
LOAN TO THE GOVERNMENTAL UNIT;
PAYMENTS BY THE GOVERNMENTAL UNIT

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the Finance Authority an amount equal to the Loan Agreement Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein, the Loan Agreement Payments as herein provided. The Governmental Unit does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Governmental Unit in and to: (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on parity with the Parity Obligations; (ii) the Finance Authority Debt Service Account, such account being held by the Finance Authority; (iii) the Program Account, such account being held by the Trustee; and (iv) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments and Additional Payment Obligations; provided, however, that if the Governmental Unit, its successors or assigns, shall well and truly pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, then, upon such final payment or provision for payment by the Governmental Unit, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement

Payments shall, in the aggregate, be sufficient to pay the Principal Component and Interest Component when due, the payment schedule of which is attached hereto as Exhibit "B."

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that this Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. As provided in the Intercept Agreement the Distributing State Agency shall cause to be transferred from the Pledged Revenues the amounts provided in subsections (a)(i) and (ii) of this Section 5.2 for deposit into the Finance Authority Debt Service Account. The Finance Authority Debt Service Account shall be established and held by the Finance Authority on behalf of the Governmental Unit. All Pledged Revenues received by the Finance Authority pursuant to the Intercept Agreement shall be accounted for and maintained on an ongoing basis by the Finance Authority in the Finance Authority Debt Service Account and all Loan Agreement Payments shall be remitted to the Trustee. The amount on deposit in the Finance Authority Debt Service Account shall be expended and used by the Finance Authority or the Trustee, as the case may be, only in the manner and order of priority specified below.

(a) As a first charge and lien, but not an exclusive first charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations), the Governmental Unit shall remit to the Finance Authority and the Finance Authority shall transfer and deposit into the Finance Authority Debt Service Account the following from the Pledged Revenues received pursuant to the Intercept Agreement from the Governmental Unit, which the Finance Authority shall transfer to the Trustee in accordance with the Indenture:

(i) Interest Components. Annually, (A) beginning in July, 2017, an amount necessary to pay the first two maturing Interest Components coming due on this Loan Agreement (which are due May 1, 2018 and November 1, 2018), and (B) in each July thereafter, the amount necessary to pay the next two maturing Interest Components on this Loan Agreement during the Loan Agreement Term, as described in Exhibit "B;"

(ii) Principal Payments. Annually, (A) beginning in July, 2017 an amount necessary to pay the first maturing Principal Component coming due on this Loan Agreement (which is due May 1, 2020), and (B) in each July thereafter, the amount necessary to pay the next maturing Principal Component on this Loan Agreement during the Loan Agreement Term, as described in Exhibit "B."

(b) Each Loan Agreement Payment shall be transferred by the Finance Authority from the Finance Authority Debt Service Account to the Trustee.

(c) Subject to the foregoing deposits, the Finance Authority or the Trustee shall annually use the balance of the Pledged Revenues received, if any, at the request of the Governmental Unit: (i) to credit against upcoming Loan Agreement Payments; or (ii) to distribute to the Governmental Unit's account in the State Fire Protection Fund maintained by the State Treasurer for any purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 11.1 herein, for remittance to the Trustee. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority, the Trustee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4 Disposition of Payments by the Trustee. The Trustee shall deposit all moneys received from the Finance Authority under this Loan Agreement in accordance with the Indenture.

Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from the Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing two hundred percent (200%) of the combined maximum Aggregate Annual Debt Service Requirement coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's Treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement.

Section 5.6 Refunding Obligations. The provisions of Section 5.5 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (e) of Section 5.5 hereof and in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded are Parity Obligations and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of the same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.7 Investment of Governmental Unit Funds. Money on deposit in the Finance Authority Debt Service Account established by the Finance Authority may be invested by the Finance Authority in Permitted Investments at the discretion of the Finance Authority. Money on deposit in the Program Account held by the Trustee and created hereunder may be invested by the Trustee in Permitted Investments at the written direction of the Finance Authority or at the discretion of the Trustee. Any earnings on any of said accounts shall be held and administered in the account and utilized in the same manner as the other moneys on deposit therein.

Section 5.8 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI THE PROJECT

Section 6.1 Agreement To Acquire and Complete the Project. The Governmental Unit hereby agrees that to effectuate the purposes of this Loan Agreement and to effectuate the acquisition of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general, do all things which may be requisite or proper to complete the Project. The Governmental Unit agrees to acquire the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements From the Program Account. So long as no Event of Default shall occur, the Trustee shall disburse moneys from the Program Account in accordance with

Section 6.2 of the Indenture upon receipt by the Trustee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit.

No disbursement shall be made from the Program Account without the approval of Bond Counsel: (i) to reimburse the Governmental Unit's own funds for expenditures made prior to the Closing Date; (ii) to refund or advance refund any tax-exempt obligations issued by or on behalf of the Governmental Unit; (iii) to be used, directly or indirectly, to finance a project used or to be used in the trade or business of a person who is not a "governmental unit," within the meaning of Section 141(b)(6) of the Code; or (iv) to expend funds after the date that is three (3) years after the execution and delivery of this Loan Agreement.

Section 6.3 Completion of Acquisition of the Project. Upon completion of the acquisition of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority and the Trustee substantially in the form of Exhibit "D" attached hereto stating that, to the best of his or her knowledge, the Project has been completed and accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the Project as signified by delivery of the completion certificate contemplated in Section 6.3 hereof, or in the event that the Finance Authority and the Trustee shall not have received a certificate of completion as required by Section 6.3 hereof by the date three (3) years from the Closing Date (or such later date as is approved in writing by Bond Counsel), the Trustee shall transfer the amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Finance Authority Debt Service Account and such amounts shall be used for the payment of Loan Agreement Payments.

ARTICLE VII COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.3 Requirements of Law. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto, the Project or the Pledged Revenues.

Section 7.4 First Lien; Equality of Liens. The Loan Agreement Payments constitute an irrevocable first lien (but not necessarily an exclusive first lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a first lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.5 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

Section 7.6 Bank Designation of Loan Agreement. For purposes of and in accordance with Section 265 of the Code, the Governmental Unit hereby designates this Loan Agreement as an issue qualifying for the exception for certain qualified tax-exempt obligations to the rule denying banks and other financial institutions 100% of the deduction for interest expenses which is allocable to tax-exempt interest. The Governmental Unit reasonably anticipates that the total amount of tax exempt obligations (other than obligations described in Section 265(b) (3) (C) (ii) of the Code) which will be issued by the Governmental Unit and by any aggregated issuer during the current calendar year will not exceed \$10,000,000. For purposes of this Section 7.6, "aggregated issuer" means any entity which:(i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e). The Governmental Unit hereby represents that: (a) it has not created and does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 265(b) (3) (C) or (D) of the Code; and (b) the total amount of obligations so designated by the Governmental Unit, and all aggregated issuers for the current calendar year does not exceed \$10,000,000.

Section 7.7 Arbitrage Rebate Exemption. The Governmental Unit hereby certifies and warrants, for the purpose of qualifying for the exception contained in Section 148(f)(4)(D) of the Code, to the requirement to rebate arbitrage earnings from investments of the proceeds of the Loan Agreement (the "Rebate Exemption"), that: (i) this Loan Agreement is issued by the Governmental Unit which has general taxing powers; (ii) neither this Loan Agreement nor any portion thereof is a private activity bond as defined in Section 141 of the Code ("Private Activity Bond"); (iii) all of the net proceeds of this Loan Agreement are to be used for local government activities of the Governmental Unit (or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the Governmental Unit); and (iv) neither the Governmental Unit nor any aggregated issuer has issued or is reasonably expected to issue any Tax-Exempt Bonds other than (A) Private Activity Bonds (as those terms are used in Section 148(f)(4)(D) of the Code) and (B) issued to refund (other than to advance refund (as used in the Code)) any bond to the extent the amount of the refunding bond does not exceed the outstanding amount of the refunded bond, during the current calendar year, which would in the aggregate amount exceed \$5,000,000. For purposes of this paragraph, "aggregated issuer" means any entity which: (a) issues obligations on behalf of the Governmental Unit; (b) derives its issuing authority from the Governmental Unit; or (c) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury

Regulation Section 1.150-1(e). The Governmental Unit hereby represents that it has not created, does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 148(f)(4)(D) of the Code.

Accordingly, with respect to the Loan Agreement, the Governmental Unit will qualify for the rebate exemption granted under Section 148(f)(4)(D) of the Code and the Governmental Unit shall be treated as meeting the requirements of paragraphs (2) and (3) of Section 148(f) of the Code relating to the required rebate of arbitrage earnings to the United States.

The Governmental Unit hereby further represents and covenants that if it is determined that rebatable arbitrage, as that term is defined under Section 148 of the Code and related regulations, is required to be paid to the United States, that it will pay such rebatable arbitrage.

ARTICLE VIII PREPAYMENT OF LOAN AGREEMENT PAYMENTS

Section 8.1 Prepayment. The Governmental Unit is hereby granted the option to prepay any of the Principal Components of this Loan Agreement in whole or in part on any day on or after one (1) year following the Closing Date without penalty or prepayment premium. The Governmental Unit may designate the due dates of any Principal Components being prepaid in the event of a partial prepayment. Notice of intent to make such prepayment shall be provided to the Finance Authority and the Trustee by the Governmental Unit no less than forty-five (45) days prior to the prepayment date. The Trustee shall recalculate the Loan Agreement Payments due under this Loan Agreement in the event of a partial prepayment in a manner which is consistent with the manner in which the Bonds, if any, are prepaid.

Section 8.2 Defeasance. Should the Governmental Unit pay or make provision for payment of the Loan such that all amounts due pursuant to this Loan Agreement shall be deemed to have been paid and defeased, then the Loan Agreement Payments hereunder shall also be deemed to have been paid, the Governmental Unit's payment obligations hereunder shall be terminated, this Loan Agreement and all obligations contained herein shall be discharged and the pledge hereof released. Such payment shall be deemed made when the Governmental Unit has deposited with an escrow agent, in trust, (i) moneys sufficient to make such payment, and/or (ii) noncallable Government Obligations maturing as to principal and interest in such amount and at such times as will ensure the availability of sufficient moneys to make such payment and when all necessary and proper expenses of the Finance Authority have been paid or provided for. In the event the Governmental Unit makes provisions for defeasance of this Loan Agreement, the Governmental Unit shall cause to be delivered (1) a report of an independent nationally recognized certified public accountant verifying the sufficiency of the escrow established to pay this Loan Agreement in full when due or upon an irrevocably designated prepayment date, and (2) an opinion of Bond Counsel to the effect that this Loan Agreement is no longer outstanding, each of which shall be addressed and delivered to the Finance Authority. Governmental Obligations within the meaning of this Section 8.2, unless otherwise approved by the Finance Authority, shall include only (1) cash, (2) U.S. Treasury Certificates, Notes and Bonds (including State and Local Government Series – "SLGs"), and (3) obligations the principal of and interest on which are unconditionally guaranteed by the United States of America.

ARTICLE IX
INDEMNIFICATION

From and to the extent of the Pledged Revenues, and to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and the Trustee harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition or operation of the Project during the Loan Agreement Term, from: (i) any act of negligence or other misconduct of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit shall indemnify and save the Finance Authority and the Trustee harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the Trustee, shall defend the Finance Authority or the Trustee, as applicable, in any such action or proceeding.

ARTICLE X
EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an Event of Default under this Loan Agreement:

- (a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable;
- (b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Governmental Unit by the Finance Authority or the Trustee unless the Finance Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority or the Trustee but cannot be cured within the applicable thirty (30) day period, the Finance Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default);
- (c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect;
- (d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within

thirty (30) days after such filing, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority or the Trustee may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement or the Intercept Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority and the Trustee under this Loan Agreement and the Intercept Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority or the Trustee; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or to enforce any other of its rights thereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the Finance Authority or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority or the Trustee to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority or the Trustee may in its discretion waive by written waiver any Event of Default hereunder and the consequences of such an Event of Default provided, however, that there shall not be waived: (i) any Event of Default in the payment of the principal of this Loan Agreement at the date when due as specified herein; or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payments of principal and all expenses of the Finance Authority or the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority and the Trustee shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit shall default under any of the provisions hereof and the Finance Authority or the Trustee shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority or the Trustee, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.

INTERCEPT AGREEMENT

This INTERCEPT AGREEMENT is made and entered into October 21, 2016, by and between the NEW MEXICO FINANCE AUTHORITY (the "Finance Authority"), a public body politic and corporate constituting a governmental instrumentality separate and apart from the State of New Mexico (the "State") under the laws of the State and QUAY COUNTY, NEW MEXICO, a political subdivision duly organized and existing under the laws of the State (the "Governmental Unit").

WITNESSETH:

WHEREAS, Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, authorized the creation of the Finance Authority within the State to assist in financing the cost of public projects of participating qualified entities, including the Governmental Unit, such as financing the cost of purchasing a 3,000 gallon tanker for use by the Quay County Fire District within the geographic limits of the Governmental Unit; and

WHEREAS, pursuant to Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, and Sections 4-62-1 through 4-62-10, NMSA 1978, as amended (collectively, the "Act"), the Finance Authority and the Governmental Unit are authorized to enter into agreements to facilitate the financing of the Project as described in the Loan Agreement by and between the Finance Authority and the Governmental Unit of even date herewith (the "Loan Agreement"); and

WHEREAS, the Governmental Unit desires to acquire the Project which acquisition is permitted under the Act; and

WHEREAS, the Finance Authority has established its Loan Program (the "Program") funded by its public project revolving fund (as defined in the Act) for the financing of infrastructure and equipment projects upon the execution of the Loan Agreement and the assignment of loan agreements to a trustee (the "Trustee"); and

WHEREAS, the Governmental Unit desires to borrow \$171,285 from the Program for the purpose of financing the acquisition of the Project, which Loan is to be governed by this Intercept Agreement and by the Loan Agreement; and

WHEREAS, the Act confers upon the Finance Authority the authority to loan funds to the Governmental Unit to finance the Project, and Section 59A-53-7, NMSA 1978, as amended, authorizes the Governmental Unit to direct that its distribution of fire protection funds from the State Treasurer be paid to the Finance Authority or its assignee, to secure payments under the Loan Agreement;

NOW THEREFORE, the parties hereto agree:

Unless otherwise defined in this Intercept Agreement and except where the context by clear implication otherwise requires, capitalized terms used in this Intercept Agreement shall

have for all purposes of this Intercept Agreement the meanings assigned thereto in the Loan Agreement and the Indenture, as defined in the Loan Agreement.

Section 1. Authorization to the Finance Authority. The Governmental Unit hereby recognizes that the Finance Authority has made a Loan to the Governmental Unit in the amount of \$171,285 to finance the acquisition of the Project. Pursuant to the Loan Agreement and this Intercept Agreement, the Loan and all Loan Agreement Payments on the Loan made by or on behalf of the Governmental Unit shall be collected by the Finance Authority and remitted to the Trustee. All payments due on the Loan from the Pledged Revenues shall be paid by the Distributing State Agency to the Finance Authority or its designee, on behalf of the Governmental Unit, from scheduled distributions of the Pledged Revenues in accordance with the Intercept Schedule attached hereto as Exhibit "A" (the "Intercept Schedule").

This Intercept Agreement shall be deemed a written certification, authorization and request by the Governmental Unit to the Distributing State Agency to pay to the Finance Authority, on behalf of the Governmental Unit, sums shown on the Intercept Schedule from annual distributions of the Pledged Revenues pursuant to Section 59A-53-7, NMSA 1978, as amended, to insure compliance with the Loan Agreement and repayment of the Loan. Upon written notice to the Distributing State Agency from the Finance Authority, the amount of the Pledged Revenues to be paid to the Finance Authority shall be increased from the amounts shown on Exhibit "A" to defray any delinquencies in the Finance Authority Debt Service Account or Loan Agreement Reserve Account, if any, established for the Governmental Unit. Any accumulation of the Pledged Revenues in an amount in excess of the next Loan Agreement Payment and the Loan Agreement Reserve Requirement, if any, shall be redirected by the Finance Authority to the benefit of the Governmental Unit on a timely basis as provided in Section 5.2 of the Loan Agreement.

To the extent that the Pledged Revenues are insufficient to meet the debt service requirements due on the Loan and other Parity Obligations (as defined in the Loan Agreement) now or hereafter issued or incurred, the amounts intercepted under this Intercept Agreement shall be applied to allow partial payment on a pro-rata basis of the debt service due and owing on the Loan Agreement and other Parity Obligations.

Section 2. Term; Amendments. This Intercept Agreement will remain in full force and effect from its effective date as herein provided until such time as the Loan made pursuant to the Loan Agreement and this Intercept Agreement have been paid in full. Nothing herein shall be deemed in any way to limit or restrict the Governmental Unit from issuing its own obligations, providing its own program or participating in any other program for the financing of public projects which the Governmental Unit may choose to finance. This Intercept Agreement may be amended only by written instrument signed by the parties hereto.

Section 3. Authorization. The execution and performance of the terms of this Intercept Agreement have been authorized and approved by Resolution No. 2016-2017 21, passed and adopted on September 12, 2016 by the Governing Body of the Governmental Unit, which Resolution is in full force and effect on the date hereof.

Section 4. Severability of Invalid Provisions. If any one or more of the provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such provision shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of any of the other provisions hereof.

Section 5. Counterparts. This Intercept Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 6. Further Authorization. The Governmental Unit agrees that the Finance Authority shall do all things necessary or convenient to the implementation of the Program to facilitate the Loan to the Governmental Unit.

Section 7. Effective Date. This Intercept Agreement shall take effect on the Closing Date of the Loan.

Section 8. Initial Intercept Date. As indicated on the Intercept Schedule, the first distribution of the Pledged Revenues that is to be intercepted by the Distributing State Agency under the terms of this Intercept Agreement consist of Pledged Revenues due to the Governmental Unit distributed beginning in July, 2017.

Section 9. Final Intercept Date. Once the Loan has been fully paid off and satisfied, Finance Authority shall provide written notice to the Distributing State Agency to discontinue the interception of the Governmental Unit's Pledged Revenues.

19. To the best of our knowledge, neither the Chairman of the Board of County Commissioners, the County Manager, the County Clerk, any member of the Governing Body, nor any other officer, employee or other agent of the Governmental Unit is interested (except in the performance of his or her official rights, privileges, powers and duties), directly or indirectly, in the profits of any contract, or job for work, or services to be performed and appertaining to the Project.

APPROVED:

Paragraphs 1, 2, 3, 5, 6, 7, 8, 9, 10, 11, 13, 14, 16, 17, 18, 20, 21, 22, 24 and 25 are approved and confirmed.

Tim Rose, Esq., Attorney for
Quay County, New Mexico

Governmental Unit reasonably expects that the completion of the Project and expenditure of the Proceeds will proceed with due diligence to completion and that all of the Proceeds will be expended within three (3) years of the date hereof.

The estimated total costs of the Project will not be less than \$170,000.00 plus investment earnings thereon during the acquisition period.

Proceeds in the amount of \$1,284.64 will be deducted from the Proceeds and paid directly to the Finance Authority as the Processing Fee for the costs of originating and servicing the Loan.

Proceeds in the amount of \$0.36 will be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 of the Loan Agreement.

6. Investment of Proceeds. Except for the investment of the Proceeds in the Program Account established under the Indenture with respect to the Loan Agreement pending the payment of the costs of the Project and in the Finance Authority Debt Service Account established and administered by the Finance Authority pending the payment of debt service on the Loan Agreement, there will be no investment of the Proceeds.

7. Bona Fide Debt Service Fund. Debt service payments on the Loan Agreement will be paid from the Pledged Revenues of the Governmental Unit deposited to the Finance Authority Debt Service Account created with respect to the Loan Agreement. Because the Pledged Revenues of the Governmental Unit for any year will exceed debt service on the Loan Agreement, it is assumed that current debt service paid by the Governmental Unit for deposit in the Finance Authority Debt Service Account will be derived entirely from the current Pledged Revenues. The Finance Authority Debt Service Account will be depleted at least once a year except for an amount not to exceed the greater of the earnings on the Finance Authority Debt Service Account for the immediately preceding bond year or one-twelfth (1/12th) of debt service on the Loan for the immediately preceding bond year. The Governmental Unit has not created or established, nor does it expect to create or establish, any debt service fund, redemption fund, replacement fund, sinking fund or other similar fund which is reasonably expected to be used to pay principal or interest on the Loan Agreement or pledged therefor, except for the Finance Authority Debt Service Account.

8. No Disposition of Project. The undersigned reasonably expect that no part of the Project acquired with the Proceeds will be sold or otherwise disposed of, in whole or in part, during the term of the Loan Agreement.

9. General Tax Covenant. The Governmental Unit has covenanted in the Loan Agreement that no use will be made of the Proceeds, or any funds or accounts of the Governmental Unit which may be deemed to be gross proceeds of the Loan Agreement, which use, if it had been reasonably expected on the date hereof, would have caused the Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. The Governmental Unit has further obligated itself in the Loan Agreement to comply throughout the term of the Loan Agreement with the requirements of Sections 103 and 141

through 150 of the Code and regulations proposed or promulgated with respect thereto. Pursuant to the Loan Agreement, the Governmental Unit shall be liable for any rebatable arbitrage payable pursuant to Sections 103 and 141 through 150 of the Code and regulations proposed or promulgated with respect thereto. Any such liability shall be payable solely from the Pledged Revenues.

10. Private Business Use Limitations. None of the Proceeds will be used by a private business or any entity other than a governmental unit or secured by payments from or property of a private business or any entity other than a governmental unit except pursuant to a management contract which conforms with Revenue Procedure 97-13 of the United States Treasury as modified by Revenue Procedure 2001-39 of the United States Treasury. For purposes of the preceding sentence a governmental unit does not include the United States Government or any agency or instrumentality thereof.

11. No Common Plan of Financing. There are no other obligations which are being issued or sold at substantially the same time as the Loan Agreement pursuant to a common plan of financing with the Loan Agreement and that will be paid out of the Pledged Revenues or will have substantially the same claim to be paid out of the Pledged Revenues as the Loan Agreement.

12. No Federal Guarantees. The Loan is not federally guaranteed within the meaning of Section 149(b) of the Code.

13. Information Filing. Loan Counsel for the Finance Authority, on behalf of the Governmental Unit, will timely file the Form 8038-G with respect to the Loan Agreement attached hereto as Exhibit "A" with the Internal Revenue Service. The Finance Authority has verified certain information necessary to complete the Form 8038-G as shown on the Finance Authority Certificate attached hereto as Exhibit "B".

14. Hedge Bonds. The Loan is not a hedge bond as defined in Section 149 of the Code.

15. No Reimbursement. None of the Proceeds will be used to reimburse the Governmental Unit for costs paid for the Project more than sixty (60) days prior to the date hereof.

16. No Refunding. Proceeds of the Loan are not being used to refund any other obligation of the Governmental Unit.

17. Economic Life of Project. The weighted average maturity of 7.137 years of the Loan Agreement does not exceed 120% of the reasonably expected economic life of the Project, which is ten (10) years.

18. Qualified Tax-Exempt Obligations. The Loan Agreement is a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code. The Governmental Unit represents that the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Governmental Unit during the current calendar year does not exceed

\$10,000,000 and the Governmental Unit will not designate more than \$10,000,000 of "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. For purposes of this Section, "aggregated issuer" means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e).

19. Rebate Exception. The Governmental Unit is a governmental unit with general taxing powers, no part of the Loan Agreement is a private activity bond, ninety-five percent (95%) or more of the proceeds are to be used for local governmental activities of the Governmental Unit and, the aggregate face amount of all tax-exempt obligations issued by the Governmental Unit during the current calendar year is not reasonably expected to exceed \$5,000,000. There are no subordinate entities of the Governmental Unit which are authorized to issue tax-exempt obligations. If the Governmental Unit fails to satisfy all of the provisions of this paragraph 19 for any reason, as provided in the Loan Agreement and consistent with the covenants of the Governmental Unit contained therein, any rebate owed to the United States Treasury will be paid in the amounts and at the times provided in Section 148 of the Code.

20. Record Retention. The Governmental Unit will manage and retain records related to the Loan as follows:

A. Records will be retained for the life of the Loan, including any refunding loans related thereto, plus three (3) years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to the Loan and compliance functions;

B. Basic records relating to the Loan transaction, including transcript documents executed in connection with the issuance of the Loan (i.e., the authorizing documents, Form 8038-G, the tax certificate, and any elections made with respect to the Loan, if applicable), any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T;

C. Records pertaining to the use of Loan-financed facilities by public and private sources including copies of management agreements and research agreements;

D. Records pertaining to expenditures of Loan proceeds including requisitions, appraisal and property purchase contracts, account statements, invoices, payment vouchers, and the final allocation of proceeds to expenditures;

E. Records pertaining to all sources of payment or security for the Loan; and

F. Records pertaining to investments including guaranteed investment contract documents under the Treasury Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

[Signature page follows]

This certificate is being executed and delivered to establish the reasonable expectations of the Governmental Unit for purposes of Sections 103 and 141 through 148 of the Code, and the undersigned officers of the Governmental Unit are the officers of the Governmental Unit charged with the responsibility of entering into the Loan Agreement. The foregoing is based upon the reasonable expectations of the undersigned on the date hereof, and to the best of our knowledge, information and belief, the above expectations are reasonable.

WHEREAS, Quay County, New Mexico (the "Governmental Unit") pursuant to Resolution No. 03-52 adopted on January 12, 2004 (the "2004 Resolution"), executed and delivered a Loan Agreement (the "2004 Loan Agreement"), between the Governmental Unit and the New Mexico Finance Authority (the "Finance Authority") in the aggregate principal amount of \$136,000. The 2004 Loan Agreement is payable from the distribution of State Fire Protection Fund revenues distributed annually to the Quay County Fire District (the "District") by the State Treasurer (the "Pledged Revenues").

WHEREAS, the Governmental Unit pursuant to Resolution No. 2009-2010 #34 adopted on December 14, 2009 (the "2009 Resolution"), executed and delivered a Loan Agreement in the aggregate principal amount of \$50,750 for the benefit of the District (the "2009 Loan Agreement") payable from the Pledged Revenues;

WHEREAS, the Governmental Unit pursuant to Resolution No. 2016-2017 21 adopted on September 12, 2016 (the "2016 Resolution"), intends to execute and deliver on the date hereof its Finance Authority Loan Agreement in the aggregate principal amount of \$171,285 for the purpose of purchasing a 3,000 gallon tanker for the District (the "2016 Loan Agreement") payable from the Pledged Revenues, as set forth in the 2016 Loan Agreement.

WHEREAS, Section 5.4, "Additional Parity Obligations Payable From Fire Protection Fund Revenues" of the 2004 Loan Agreement provides as follows:

"Section 5.4 Additional Parity Obligations Payable From Fire Protection Fund Revenues. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from pledged Fire Protection Fund Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.5 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The pledged Fire Protection Fund Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any 12 consecutive months out of the 24 months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing two hundred percent (200%) of the combined maximum Aggregate Annual Debt Service Requirements coming due in any subsequent Fiscal Year on the then outstanding Superior Lien Obligations, Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's Treasurer or chief financial officer or by an Independent Accountant that the pledged Fire Protection Fund Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.5 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the pledged Fire Protection Fund Revenues having a lien thereon prior and superior to this Loan Agreement. The only prior and superior obligation shall be the Series 1994A Bonds and no additional obligations shall be issued with a lien on the Fire Protection Fund Revenues that is prior and superior to this Loan Agreement."

F. The Governmental Unit will acquire the Project, in whole or in part, with the net proceeds of the Loan.

H. The net effective interest rate on the Loan does not exceed twelve percent (12.0%) per annum, which is the maximum rate permitted by State law.

Section 5. Loan Agreement and Intercept Agreement - Authorization and Detail.

A. Authorization. This Resolution has been adopted by the affirmative vote of at least a majority of all of the members of the Governing Body. For the purpose of protecting the public health, conserving the property, protecting the general welfare and prosperity of the residents of the Governmental Unit and acquiring the Project, it is hereby declared necessary that the Governmental Unit, pursuant to the Act, execute and deliver the Loan Agreement evidencing a special, limited obligation of the Governmental Unit to pay a principal amount of \$100,756, plus interest thereon, and the execution and delivery of the Loan Agreement and the Intercept Agreement are hereby authorized. The Governmental Unit shall use the proceeds of the Loan to finance the Project and to pay the Processing Fee. The Project will be owned by the Governmental Unit.

B. Detail. The Loan Agreement and Intercept Agreement shall be in substantially the forms of the Loan Agreement and Intercept Agreement presented at the meeting of the Governing Body at which this Resolution was adopted. The Loan shall be in an original aggregate principal amount of \$100,756, shall be payable in installments of principal due on May 1 of the years designated in Exhibit "B" to the Loan Agreement and bear interest payable on May 1 and November 1 of each year, beginning on November 1, 2017, at the rates designated in Exhibit "B" to the Loan Agreement.

Section 6. Approval of Loan Agreement and Intercept Agreement. The forms of the Loan Agreement and the Intercept Agreement, as presented at the meeting of the Governing Body at which this Resolution was adopted, are hereby approved. The Loan Agreement, together with interest thereon and other obligations of the Governmental Unit thereunder, shall be a special, limited obligation of the Governmental Unit, payable solely from the Pledged Revenues as provided in this Resolution and the Loan Agreement and shall not constitute a general obligation of the Governmental Unit or the State, and the holders of the Loan Agreement may not look to any general or other fund of the Governmental Unit for payment of the obligations thereunder. Nothing contained in this Resolution or in the Loan Agreement, or any other instruments, shall be construed as obligating the Governmental Unit (except with respect to the application of the Pledged Revenues), as incurring a pecuniary liability

or a charge upon the general credit of the Governmental Unit or against its taxing power, nor shall a breach of any agreement contained in this Resolution, the Loan Agreement, or any other instrument impose any pecuniary liability upon the Governmental Unit or any charge upon its general credit or against its taxing power. The Loan Agreement shall never constitute an indebtedness of the Governmental Unit within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Governmental Unit or a charge against its general credit or taxing power. Nothing herein shall prevent the Governmental Unit from applying other funds of the Governmental Unit legally available therefore to payments required by the Loan Agreement, in its sole and absolute discretion.

Section 8. Disposition of Proceeds: Completion of Acquisition of the Project.

A. Program Account and Finance Authority Debt Service Account. The Governmental Unit hereby consents to creation of the Finance Authority Debt Service Account to be held and maintained by the Finance Authority and to the Program Account, to be held and maintained by the Trustee pursuant to the Indenture, each in connection with the Loan. The Governmental Unit hereby approves (i) the deposit of a portion of the proceeds of the Loan Agreement in the Program Account and in the Finance Authority Debt Service Account, and (ii) the payment of the Processing Fee to the Finance Authority, all as set forth in Exhibit "A" to the Loan Agreement.

The proceeds derived from the execution and delivery of the Loan Agreement shall be deposited promptly upon the receipt thereof in the Finance Authority Debt Service Account and the Program Account, and the Processing Fee shall be paid to the Finance Authority, all as provided in the Loan Agreement and the Indenture.

Until the Completion Date, the money in the Program Account shall be used and paid out solely for the purpose of acquiring the Project in compliance with applicable law and the provisions of the Loan Agreement and the Indenture.

The Governmental Unit will acquire the Project with all due diligence.

B. Completion of the Project. Upon the Completion Date, the Governmental Unit shall execute and send to the Finance Authority a certificate stating that acquisition of, and payment for, the Project have been completed. As soon as practicable, and, in any event, not more than sixty (60) days from the Completion Date, any balance remaining in the Program Account shall be transferred and deposited into the Finance Authority Debt Service Account, as provided in the Loan Agreement and the Indenture.

C. Finance Authority and Trustee Not Responsible. The Finance Authority and the Trustee shall in no manner be responsible for the application or disposal by the Governmental Unit or by its officers of the funds derived from the Loan Agreement or of any other funds herein designated.

Section 9. Deposit of Pledged Revenues, Distributions of the Pledged Revenues and Flow of Funds.

A. Deposit of Pledged Revenues. B. Termination on Deposits to Maturity. No payment shall be made into the Finance Authority Debt Service Account if the amount in the Finance Authority Debt Service Account totals a sum at least equal to the entire aggregate amount to become due as to principal, interest, if any, and any other amounts due under the Loan Agreement, in which case moneys in such account in an amount at least equal to such principal and interest requirements shall be used solely to pay such obligations as the same become due, and any moneys in excess thereof in such accounts shall be transferred to the Governmental Unit and used as provided below.

C. Use of Surplus Revenues. After making all the payments hereinabove required to be made by this Section and any payments required by outstanding Parity Obligations, any moneys remaining in the Finance Authority Debt Service Account shall be transferred to the Governmental Unit on a timely basis and shall be applied to any other lawful purpose, including, but not limited to, the payment of any Parity Obligations or bonds or obligations subordinate and junior to the Loan Agreement, or other purposes authorized by the Governmental Unit, the Constitution and laws of the State, as the Governmental Unit may from time to time determine.

Section 10. Lien on Pledged Revenues. Pursuant to the Loan Agreement, the Pledged Revenues are hereby authorized to be pledged to, and are hereby pledged to, and the Governmental Unit grants a security interest therein for, the payment of the principal, interest, if any, and any other amounts due under the Loan Agreement, subject to the uses hereof permitted by and the priorities set forth in this Resolution. The Loan Agreement constitutes an irrevocable and first lien, but not necessarily an exclusive first lien, on the Pledged Revenues as set forth herein and therein and the Governmental Unit shall not create a lien on the Pledged Revenues superior to that of the Loan Agreement.

Section 11. Authorized Officers. Authorized Officers are hereby individually authorized and directed to execute and deliver any and all papers, instruments, opinions, affidavits and other documents and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution, the Loan Agreement, the Intercept Agreement and all other transactions contemplated hereby and thereby. Authorized Officers are hereby individually authorized to do all acts and things required of them by this Resolution, Loan Agreement and the Intercept Agreement for the full, punctual and complete performance of all the terms, covenants and agreements contained in this Resolution and the Loan Agreement and the Intercept Agreement, including but not limited to, the execution and delivery of closing documents in connection with the execution and delivery of the Loan Agreement and the Intercept Agreement and the publication of the summary of this Resolution set out in Section 17 of this Resolution (with such changes, additions and deletions as may be necessary).

Section 12. Amendment of Resolution. Prior to the date of the initial delivery of the Loan Agreement to the Finance Authority, the provisions of this Resolution may be supplemented or amended by resolution of the Governing Body with respect to any changes which are not inconsistent with the substantive provisions of this Resolution. This Resolution may be amended

without receipt by the Governmental Unit of any additional consideration, but only with the prior written consent of the Finance Authority.

Section 13. Resolution Irrepealable. After the Loan Agreement and Intercept Agreement have been executed and delivered, this Resolution shall be and remain irrepealable until all obligations due under the Loan Agreement shall be fully paid, canceled and discharged, as herein provided.

Section 14. Severability Clause. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 15. Repealer Clause. All bylaws, orders, resolutions, and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

ARTICLE II
REPRESENTATIONS, COVENANTS AND WARRANTIES

Section 2.1 Representations, Covenants and Warranties of the Governmental Unit. The Governmental Unit represents, covenants and warrants:

(a) Binding Nature of Covenants. All covenants, stipulations, obligations and agreements of the Governmental Unit contained in this Loan Agreement shall be deemed to be the covenants, stipulations, obligations and agreements of the Governmental Unit to the full extent authorized or permitted by law, and such covenants, stipulations, obligations and agreements shall be binding upon the Governmental Unit and its successors and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law. Except as otherwise provided in this Loan Agreement, all rights, powers and privileges conferred and duties and liabilities imposed upon the Governmental Unit by the provisions of this Loan Agreement and the Resolution shall be exercised or performed by the Governmental Unit or by such members, officers, or officials of the Governmental Unit as may be required by law to exercise such powers and to perform such duties.

(b) Personal Liability. No covenant, stipulation, obligation or agreement contained in this Loan Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any officer, agent or employee of the Governmental Unit or member of the Governing Body in his or her individual capacity, and neither the members of the Governing Body nor any officer, agent or employee of the Governmental Unit executing this Loan Agreement shall be liable personally on this Loan Agreement or be subject to any personal liability or accountability by reason of the execution and delivery thereof.

(c) Authorization of Loan Agreement and Intercept Agreement. The Governmental Unit is a political subdivision of the State and is duly organized and existing under the statutes and laws of the State. Pursuant to the Act, as amended and supplemented from time to time, the Governmental Unit is authorized to enter into the transactions contemplated by this Loan Agreement and the Intercept Agreement and to carry out its obligations hereunder and thereunder. The Governmental Unit has duly authorized and approved the execution and delivery of this Loan Agreement, the Intercept Agreement, and the other documents related to the transaction.

(d) Use of Loan Agreement Proceeds. The Governmental Unit shall proceed without delay in applying the proceeds of this Loan Agreement (less deposits to the Finance Authority Debt Service Account and the Processing Fee) to the acquisition of the Project.

(e) Payment of Loan Agreement. The Governmental Unit shall promptly pay Loan Agreement Payments, as specified in Exhibit "B" hereto, according to the true intent and meaning of this Loan Agreement. Loan Agreement Payments are payable solely from the Pledged Revenues or from the proceeds of refunding bonds or other refunding obligations which the Governmental Unit may hereafter issue in its sole discretion and which are payable from the Pledged Revenues; and nothing in this Loan Agreement shall be construed as obligating the Governmental Unit to pay Loan Agreement Payments from any general or other fund of the Governmental Unit other than such special funds. Nothing contained in this Loan Agreement, however, shall be construed as prohibiting the Governmental Unit in its sole and absolute

discretion, from making such payments from any moneys which may be lawfully used, and which are legally available, for that purpose.

(f) Acquisition and Completion of Project. The Project will consist of financing the cost of purchasing a 3,000 gallon tanker for the Porter Fire District within the geographic limits of the Governmental Unit. The Project will be acquired and completed so as to comply with all applicable ordinances, resolutions and regulations, if any, and any and all applicable laws relating to the acquisition and completion of the Project and to the use of the Pledged Revenues. The Project complies with Sections 59A-53-1 through 59A-53-19, NMSA 1978, as amended.

(g) Necessity of Project. The acquisition of the Project under the terms and conditions provided for in this Loan Agreement is necessary, convenient and in furtherance of the governmental purposes of the Governmental Unit and is in the best interests of the Governmental Unit and its residents.

(h) Legal, Valid and Binding Special Obligation. The Governmental Unit has taken all required action necessary to authorize the execution and delivery of this Loan Agreement and the Intercept Agreement, and this Loan Agreement and the Intercept Agreement constitute legal, valid and binding special obligations of the Governmental Unit enforceable in accordance with their terms.

(i) Loan Agreement Term. The weighted average maturity of 6.834 years of the Loan Agreement does not exceed 120% of the reasonably expected life of the Project, which is ten (10) years.

(j) Use of Project. During the Loan Agreement Term, the Project will at all times be used for the purpose of benefiting the Governmental Unit as a whole.

(k) No Private Activity. The Governmental Unit is a "governmental unit" within the meaning of Sections 103 and 141(b)(6) of the Code. In addition, no amounts disbursed from the Program Account and used to finance the Project shall be used in the trade or business of a person who is not a "governmental unit" within the meaning of Sections 103 and 141(b)(6) of the Code.

(l) No Excess Loan Agreement Proceeds. The amount loaned to the Governmental Unit under this Loan Agreement as set forth on the Term Sheet does not exceed the sum of: (i) the cost of the Project; and (ii) an amount necessary to pay the Processing Fee and the costs related to issuance of the Bonds, if any.

(m) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement and the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions in this Loan Agreement and the Intercept Agreement, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Governmental Unit is a party or by which the Governmental Unit is bound or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Governmental Unit or its properties are subject, or constitutes a default under any of the foregoing.

(n) Irrevocable Enactments. While this Loan Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Loan Agreement, including the Resolution shall be irrevocable until this Loan Agreement has been paid in full as to both principal and interest, and shall not be subject to amendment or modification in any manner which would in any way jeopardize the timely payment of Loan Agreement Payments.

(o) Outstanding Debt. Except for the Parity Obligations, if any, described on the Term Sheet, there are currently no outstanding bonds, notes or other obligations of the Governmental Unit which are payable from and secured by a parity lien on the Pledged Revenues. No additional indebtedness, bonds or notes of the Governmental Unit payable on a priority ahead of the indebtedness herein authorized out of the Pledged Revenues shall be created or incurred while this Loan Agreement remains outstanding.

(p) No Litigation. To the knowledge of the Governmental Unit, no litigation or proceeding is pending or threatened against the Governmental Unit or any other person affecting the right of the Governmental Unit to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Governmental Unit, nor compliance by the Governmental Unit with the obligations under such agreements, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(q) No Event of Default. No event has occurred and no condition exists which, upon the execution and delivery of this Loan Agreement and the Intercept Agreement, would constitute an Event of Default on the part of the Governmental Unit under this Loan Agreement or the Intercept Agreement.

(r) Pledged Revenues Not Budgeted. The portion of the Pledged Revenues necessary to pay the Loan Agreement Payments, as and when due, is not needed or budgeted to pay current or anticipated operational or other expenses of the Governmental Unit.

(s) Expected Coverage Ratio. The Pledged Revenues (giving credit for any increase in Pledged Revenues which has received final approval of the Governing Body and become effective) from the Fiscal Year immediately preceding the Closing Date were equal to or exceeded and, on an ongoing basis during each year of the Loan Agreement Term, are reasonably expected to equal or exceed, two hundred percent (200%) of the maximum Aggregate Annual Debt Service Requirement.

(t) No Extension of Interest Payments. The Governmental Unit will not extend or be a party to the extension of the time for paying any interest on this Loan Agreement.

(u) Governmental Unit's Existence. The Governmental Unit will maintain its corporate identity and existence so long as this Loan Agreement is unpaid, unless another political subdivision by operation of law succeeds to the liabilities and rights of the Governmental Unit without adversely affecting to any substantial degree the privileges and rights of the Finance Authority.

(v) Continuing Disclosure. The Governmental Unit covenants that it shall provide continuing disclosure to the Finance Authority, as the Finance Authority may require, that shall include, but not be limited to, annual audits, operational data required to update information in any disclosure documents used to assign or securitize the Loan Agreement Payments by issuance of Bonds by the Finance Authority pursuant to the Indenture, and notification of any event deemed material by the Finance Authority.

(w) Tax Covenants. The Governmental Unit covenants that it shall restrict the use of the proceeds of this Loan Agreement in such manner and to such extent, if any, as may be necessary so that this Loan Agreement will not constitute an "arbitrage bond" under Section 148 of the Code and that it shall pay any applicable rebate to the Internal Revenue Service. Authorized Officers of the Governmental Unit are hereby authorized and directed to execute an Arbitrage and Tax Certificate as may be required by the Finance Authority and such additional certificates as shall be necessary to establish that this Loan Agreement is not an "arbitrage bond" within the meaning of Section 148 of the Code and the Treasury Regulations promulgated or proposed with respect thereto, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150 as the same currently exist, or may from time to time hereafter be amended, supplemented or revised. The Governmental Unit covenants to comply with the provisions of any such Arbitrage and Tax Certificate and the provisions thereof will be incorporated herein by reference to the same extent as if set forth herein. The Governmental Unit covenants that no use will be made of the proceeds of this Loan Agreement, or any funds or accounts of the Governmental Unit which may be deemed to be Gross Proceeds (as defined in Treasury Regulation Section 1.148-1(b)) of this Loan Agreement, which use, if it had been reasonably expected on the Closing Date, would have caused this Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Pursuant to this covenant, the Governmental Unit obligates itself to comply throughout the Loan Agreement Term with the requirements of Sections 103 and 141 through 150 of the Code and the regulations proposed or promulgated with respect thereto. The Governmental Unit further represents and covenants that no bonds or other evidence of indebtedness of the Governmental Unit payable from substantially the same source as this Loan Agreement have been or will be issued, sold or delivered within fifteen (15) days prior to or subsequent to the Closing Date. The Governmental Unit hereby further represents and covenants to comply with Section 7.6 hereof, which designates this Loan Agreement as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code.

(x) Use of State Fire Protection Fund Revenues. The Governmental Unit will take no action with respect to the Project that would constitute a violation of the terms of Sections 59A-53-7 through 59A-53-10, NMSA 1978, as the same may be amended or recompiled from time to time.

Section 2.2 Representations, Covenants and Warranties of the Finance Authority. The Finance Authority represents, covenants and warrants for the benefit of the Governmental Unit as follows:

(a) Authorization of Loan Agreement and Intercept Agreement. The Finance Authority is a public body politic and corporate constituting a governmental instrumentality, separate and apart from the State, duly organized, existing and in good standing under the laws of the State, has all necessary power and authority to enter into and perform and observe the covenants and agreements on its part contained in this Loan Agreement and the Intercept Agreement and, by

proper action, has duly authorized the execution and delivery of this Loan Agreement and the Intercept Agreement based upon the Finance Authority's findings that:

(i) The Governmental Unit is a disadvantaged qualified entity in that its median household income is \$28,750, which is less than eighty percent (80%) of the State median household income of \$44,927.

(ii) The Project is important to the overall capital needs of the State and directly enhances the health and safety of the citizens of the Governmental Unit.

(b) Assignment of Rights. The Finance Authority may not pledge or assign the Pledged Revenues, the Loan Agreement Payments or any of its other rights under this Loan Agreement and the Intercept Agreement except to the Trustee pursuant to the Indenture.

(c) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement or the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement or the Intercept Agreement, nor the consummation of the transactions contemplated in this Loan Agreement or the Intercept Agreement, conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the Finance Authority is a party or by which the Finance Authority is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or resolution of any court, government or governmental authority having jurisdiction over the Finance Authority or its property and which conflict or violation will have a material adverse effect on the Finance Authority or the financing of the Project.

(d) No Litigation. To the knowledge of the Finance Authority, there is no litigation or proceeding pending or threatened against the Finance Authority or any other person affecting the right of the Finance Authority to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement and the Intercept Agreement requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

(e) Legal, Valid and Binding Obligations. This Loan Agreement and the Intercept Agreement constitute the legal, valid and binding obligations of the Finance Authority enforceable in accordance with their terms.

ARTICLE III
LOAN AGREEMENT TERM

The Loan Agreement Term shall commence on the Closing Date and shall not terminate until this Loan Agreement has been paid in full or provision for the payment of this Loan Agreement has been made pursuant to Article VIII hereof.

ARTICLE IV
LOAN; APPLICATION OF MONEYS

On the Closing Date, the Finance Authority shall transfer the Loan Agreement Principal Amount as follows:

(a) To the Trustee, the amount shown on the Term Sheet as the Program Account deposit shall be deposited into the Governmental Unit's Program Account to be maintained by the Trustee pursuant to the Indenture and disbursed pursuant to Section 6.2 hereof at the direction of the Governmental Unit as needed by the Governmental Unit for the Project; and

(b) To the Finance Authority, the amount shown on the Term Sheet as the Finance Authority Debt Service Account deposit shall be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 hereof; and

(c) To the Finance Authority, payment in the amount shown on the Term Sheet as the Processing Fee.

ARTICLE V
LOAN TO THE GOVERNMENTAL UNIT;
PAYMENTS BY THE GOVERNMENTAL UNIT

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the Finance Authority an amount equal to the Loan Agreement Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein, the Loan Agreement Payments as herein provided. The Governmental Unit does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Governmental Unit in and to: (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on parity with the Parity Obligations; (ii) the Finance Authority Debt Service Account, such account being held by the Finance Authority; (iii) the Program Account, such account being held by the Trustee; and (iv) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments and Additional Payment Obligations; provided, however, that if the Governmental Unit, its successors or assigns, shall well and truly pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, then, upon such final payment or provision for payment by the Governmental Unit, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement

Payments shall, in the aggregate, be sufficient to pay the Principal Component and Interest Component when due, the payment schedule of which is attached hereto as Exhibit "B."

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that this Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. As provided in the Intercept Agreement the Distributing State Agency shall cause to be transferred from the Pledged Revenues the amounts provided in subsections (a)(i) and (ii) of this Section 5.2 for deposit into the Finance Authority Debt Service Account. The Finance Authority Debt Service Account shall be established and held by the Finance Authority on behalf of the Governmental Unit. All Pledged Revenues received by the Finance Authority pursuant to the Intercept Agreement shall be accounted for and maintained on an ongoing basis by the Finance Authority in the Finance Authority Debt Service Account and all Loan Agreement Payments shall be remitted to the Trustee. The amount on deposit in the Finance Authority Debt Service Account shall be expended and used by the Finance Authority or the Trustee, as the case may be, only in the manner and order of priority specified below.

(a) As a first charge and lien, but not an exclusive first charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations), the Governmental Unit shall remit to the Finance Authority and the Finance Authority shall transfer and deposit into the Finance Authority Debt Service Account the following from the Pledged Revenues received pursuant to the Intercept Agreement from the Governmental Unit, which the Finance Authority shall transfer to the Trustee in accordance with the Indenture:

(i) Interest Components. Annually, (A) beginning in July, 2017, an amount necessary to pay the first two maturing Interest Components coming due on this Loan Agreement (which are due November 1, 2017 and May 1, 2018), and (B) in each July thereafter, the amount necessary to pay the next two maturing Interest Components on this Loan Agreement during the Loan Agreement Term, as described in Exhibit "B;"

(ii) Principal Payments. Annually, (A) beginning in July, 2017 an amount necessary to pay the first maturing Principal Component coming due on this Loan Agreement (which is due May 1, 2018), and (B) in each July thereafter, the amount necessary to pay the next maturing Principal Component on this Loan Agreement during the Loan Agreement Term, as described in Exhibit "B."

(b) Each Loan Agreement Payment shall be transferred by the Finance Authority from the Finance Authority Debt Service Account to the Trustee.

(c) Subject to the foregoing deposits, the Finance Authority or the Trustee shall annually use the balance of the Pledged Revenues received, if any, at the request of the Governmental Unit: (i) to credit against upcoming Loan Agreement Payments; or (ii) to distribute to the Governmental Unit's account in the State Fire Protection Fund maintained by the State Treasurer for any purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 11.1 herein, for remittance to the Trustee. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority, the Trustee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4 Disposition of Payments by the Trustee. The Trustee shall deposit all moneys received from the Finance Authority under this Loan Agreement in accordance with the Indenture.

Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from the Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing two hundred percent (200%) of the combined maximum Aggregate Annual Debt Service Requirement coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's Treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement.

Section 5.6 Refunding Obligations. The provisions of Section 5.5 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (e) of Section 5.5 hereof and in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded are Parity Obligations and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of the same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.7 Investment of Governmental Unit Funds. Money on deposit in the Finance Authority Debt Service Account established by the Finance Authority may be invested by the Finance Authority in Permitted Investments at the discretion of the Finance Authority. Money on deposit in the Program Account held by the Trustee and created hereunder may be invested by the Trustee in Permitted Investments at the written direction of the Finance Authority or at the discretion of the Trustee. Any earnings on any of said accounts shall be held and administered in the account and utilized in the same manner as the other moneys on deposit therein.

Section 5.8 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI THE PROJECT

Section 6.1 Agreement To Acquire and Complete the Project. The Governmental Unit hereby agrees that to effectuate the purposes of this Loan Agreement and to effectuate the acquisition of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general, do all things which may be requisite or proper to complete the Project. The Governmental Unit agrees to acquire the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements From the Program Account. So long as no Event of Default shall occur, the Trustee shall disburse moneys from the Program Account in accordance with

Section 6.2 of the Indenture upon receipt by the Trustee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit.

No disbursement shall be made from the Program Account without the approval of Bond Counsel: (i) to reimburse the Governmental Unit's own funds for expenditures made prior to the Closing Date; (ii) to refund or advance refund any tax-exempt obligations issued by or on behalf of the Governmental Unit; (iii) to be used, directly or indirectly, to finance a project used or to be used in the trade or business of a person who is not a "governmental unit," within the meaning of Section 141(b)(6) of the Code; or (iv) to expend funds after the date that is three (3) years after the execution and delivery of this Loan Agreement.

Section 6.3 Completion of Acquisition of the Project. Upon completion of the acquisition of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority and the Trustee substantially in the form of Exhibit "D" attached hereto stating that, to the best of his or her knowledge, the Project has been completed and accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the Project as signified by delivery of the completion certificate contemplated in Section 6.3 hereof, or in the event that the Finance Authority and the Trustee shall not have received a certificate of completion as required by Section 6.3 hereof by the date three (3) years from the Closing Date (or such later date as is approved in writing by Bond Counsel), the Trustee shall transfer the amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Finance Authority Debt Service Account and such amounts shall be used for the payment of Loan Agreement Payments.

ARTICLE VII COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.3 Requirements of Law. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto, the Project or the Pledged Revenues.

Section 7.4 First Lien; Equality of Liens. The Loan Agreement Payments constitute an irrevocable first lien (but not necessarily an exclusive first lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a first lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.5 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

Section 7.6 Bank Designation of Loan Agreement. For purposes of and in accordance with Section 265 of the Code, the Governmental Unit hereby designates this Loan Agreement as an issue qualifying for the exception for certain qualified tax-exempt obligations to the rule denying banks and other financial institutions 100% of the deduction for interest expenses which is allocable to tax-exempt interest. The Governmental Unit reasonably anticipates that the total amount of tax exempt obligations (other than obligations described in Section 265(b) (3) (C) (ii) of the Code) which will be issued by the Governmental Unit and by any aggregated issuer during the current calendar year will not exceed \$10,000,000. For purposes of this Section 7.6, "aggregated issuer" means any entity which:(i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e). The Governmental Unit hereby represents that: (a) it has not created and does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 265(b) (3) (C) or (D) of the Code; and (b) the total amount of obligations so designated by the Governmental Unit, and all aggregated issuers for the current calendar year does not exceed \$10,000,000.

Section 7.7 Arbitrage Rebate Exemption. The Governmental Unit hereby certifies and warrants, for the purpose of qualifying for the exception contained in Section 148(f)(4)(D) of the Code, to the requirement to rebate arbitrage earnings from investments of the proceeds of the Loan Agreement (the "Rebate Exemption"), that: (i) this Loan Agreement is issued by the Governmental Unit which has general taxing powers; (ii) neither this Loan Agreement nor any portion thereof is a private activity bond as defined in Section 141 of the Code ("Private Activity Bond"); (iii) all of the net proceeds of this Loan Agreement are to be used for local government activities of the Governmental Unit (or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the Governmental Unit); and (iv) neither the Governmental Unit nor any aggregated issuer has issued or is reasonably expected to issue any Tax-Exempt Bonds other than (A) Private Activity Bonds (as those terms are used in Section 148(f)(4)(D) of the Code) and (B) issued to refund (other than to advance refund (as used in the Code)) any bond to the extent the amount of the refunding bond does not exceed the outstanding amount of the refunded bond, during the current calendar year, which would in the aggregate amount exceed \$5,000,000. For purposes of this paragraph, "aggregated issuer" means any entity which: (a) issues obligations on behalf of the Governmental Unit; (b) derives its issuing authority from the Governmental Unit; or (c) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury

Regulation Section 1.150-1(e). The Governmental Unit hereby represents that it has not created, does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 148(f)(4)(D) of the Code.

Accordingly, with respect to the Loan Agreement, the Governmental Unit will qualify for the rebate exemption granted under Section 148(f)(4)(D) of the Code and the Governmental Unit shall be treated as meeting the requirements of paragraphs (2) and (3) of Section 148(f) of the Code relating to the required rebate of arbitrage earnings to the United States.

The Governmental Unit hereby further represents and covenants that if it is determined that rebatable arbitrage, as that term is defined under Section 148 of the Code and related regulations, is required to be paid to the United States, that it will pay such rebatable arbitrage.

ARTICLE VIII PREPAYMENT OF LOAN AGREEMENT PAYMENTS

Section 8.1 Prepayment. The Governmental Unit is hereby granted the option to prepay any of the Principal Components of this Loan Agreement in whole or in part on any day on or after one (1) year following the Closing Date without penalty or prepayment premium. The Governmental Unit may designate the due dates of any Principal Components being prepaid in the event of a partial prepayment. Notice of intent to make such prepayment shall be provided to the Finance Authority and the Trustee by the Governmental Unit no less than forty-five (45) days prior to the prepayment date. The Trustee shall recalculate the Loan Agreement Payments due under this Loan Agreement in the event of a partial prepayment in a manner which is consistent with the manner in which the Bonds, if any, are prepaid.

Section 8.2 Defeasance. Should the Governmental Unit pay or make provision for payment of the Loan such that all amounts due pursuant to this Loan Agreement shall be deemed to have been paid and defeased, then the Loan Agreement Payments hereunder shall also be deemed to have been paid, the Governmental Unit's payment obligations hereunder shall be terminated, this Loan Agreement and all obligations contained herein shall be discharged and the pledge hereof released. Such payment shall be deemed made when the Governmental Unit has deposited with an escrow agent, in trust, (i) moneys sufficient to make such payment, and/or (ii) noncallable Government Obligations maturing as to principal and interest in such amount and at such times as will ensure the availability of sufficient moneys to make such payment and when all necessary and proper expenses of the Finance Authority have been paid or provided for. In the event the Governmental Unit makes provisions for defeasance of this Loan Agreement, the Governmental Unit shall cause to be delivered (1) a report of an independent nationally recognized certified public accountant verifying the sufficiency of the escrow established to pay this Loan Agreement in full when due or upon an irrevocably designated prepayment date, and (2) an opinion of Bond Counsel to the effect that this Loan Agreement is no longer outstanding, each of which shall be addressed and delivered to the Finance Authority. Governmental Obligations within the meaning of this Section 8.2, unless otherwise approved by the Finance Authority, shall include only (1) cash, (2) U.S. Treasury Certificates, Notes and Bonds (including State and Local Government Series – "SLGs"), and (3) obligations the principal of and interest on which are unconditionally guaranteed by the United States of America.

ARTICLE IX INDEMNIFICATION

From and to the extent of the Pledged Revenues, and to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and the Trustee harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition or operation of the Project during the Loan Agreement Term, from: (i) any act of negligence or other misconduct of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit shall indemnify and save the Finance Authority and the Trustee harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the Trustee, shall defend the Finance Authority or the Trustee, as applicable, in any such action or proceeding.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an Event of Default under this Loan Agreement:

(a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Governmental Unit by the Finance Authority or the Trustee unless the Finance Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority or the Trustee but cannot be cured within the applicable thirty (30) day period, the Finance Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default);

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect;

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within

thirty (30) days after such filing, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority or the Trustee may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement or the Intercept Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority and the Trustee under this Loan Agreement and the Intercept Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority or the Trustee; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or to enforce any other of its rights thereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the Finance Authority or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority or the Trustee to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority or the Trustee may in its discretion waive by written waiver any Event of Default hereunder and the consequences of such an Event of Default provided, however, that there shall not be waived: (i) any Event of Default in the payment of the principal of this Loan Agreement at the date when due as specified herein; or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payments of principal and all expenses of the Finance Authority or the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority and the Trustee shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit shall default under any of the provisions hereof and the Finance Authority or the Trustee shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority or the Trustee, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.

INTERCEPT AGREEMENT

This INTERCEPT AGREEMENT is made and entered into October 21, 2016, by and between the NEW MEXICO FINANCE AUTHORITY (the "Finance Authority"), a public body politic and corporate constituting a governmental instrumentality separate and apart from the State of New Mexico (the "State") under the laws of the State and QUAY COUNTY, NEW MEXICO, a political subdivision duly organized and existing under the laws of the State (the "Governmental Unit").

WITNESSETH:

WHEREAS, Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, authorized the creation of the Finance Authority within the State to assist in financing the cost of public projects of participating qualified entities, including the Governmental Unit, such as financing the cost of purchasing a 3,000 gallon tanker for use by the Porter Fire District within the geographic limits of the Governmental Unit; and

WHEREAS, pursuant to Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, and Sections 4-62-1 through 4-62-10, NMSA 1978, as amended (collectively, the "Act"), the Finance Authority and the Governmental Unit are authorized to enter into agreements to facilitate the financing of the Project as described in the Loan Agreement by and between the Finance Authority and the Governmental Unit of even date herewith (the "Loan Agreement"); and

WHEREAS, the Governmental Unit desires to acquire the Project which acquisition is permitted under the Act; and

WHEREAS, the Finance Authority has established its Loan Program (the "Program") funded by its public project revolving fund (as defined in the Act) for the financing of infrastructure and equipment projects upon the execution of the Loan Agreement and the assignment of loan agreements to a trustee (the "Trustee"); and

WHEREAS, the Governmental Unit desires to borrow \$100,756 from the Program for the purpose of financing the acquisition of the Project, which Loan is to be governed by this Intercept Agreement and by the Loan Agreement, and

WHEREAS, the Act confers upon the Finance Authority the authority to loan funds to the Governmental Unit to finance the Project, and Section 59A-53-7, NMSA 1978, as amended, authorizes the Governmental Unit to direct that its distribution of fire protection funds from the State Treasurer be paid to the Finance Authority or its assignee, to secure payments under the Loan Agreement;

NOW THEREFORE, the parties hereto agree:

Unless otherwise defined in this Intercept Agreement and except where the context by clear implication otherwise requires, capitalized terms used in this Intercept Agreement shall

have for all purposes of this Intercept Agreement the meanings assigned thereto in the Loan Agreement and the Indenture, as defined in the Loan Agreement.

Section 1. Authorization to the Finance Authority. The Governmental Unit hereby recognizes that the Finance Authority has made a Loan to the Governmental Unit in the amount of \$100,756 to finance the acquisition of the Project. Pursuant to the Loan Agreement and this Intercept Agreement, the Loan and all Loan Agreement Payments on the Loan made by or on behalf of the Governmental Unit shall be collected by the Finance Authority and remitted to the Trustee. All payments due on the Loan from the Pledged Revenues shall be paid by the Distributing State Agency to the Finance Authority or its designee, on behalf of the Governmental Unit, from scheduled distributions of the Pledged Revenues in accordance with the Intercept Schedule attached hereto as Exhibit "A" (the "Intercept Schedule").

This Intercept Agreement shall be deemed a written certification, authorization and request by the Governmental Unit to the Distributing State Agency to pay to the Finance Authority, on behalf of the Governmental Unit, sums shown on the Intercept Schedule from annual distributions of the Pledged Revenues pursuant to Section 59A-53-7, NMSA 1978, as amended, to insure compliance with the Loan Agreement and repayment of the Loan. Upon written notice to the Distributing State Agency from the Finance Authority, the amount of the Pledged Revenues to be paid to the Finance Authority shall be increased from the amounts shown on Exhibit "A" to defray any delinquencies in the Finance Authority Debt Service Account or Loan Agreement Reserve Account, if any, established for the Governmental Unit. Any accumulation of the Pledged Revenues in an amount in excess of the next Loan Agreement Payment and the Loan Agreement Reserve Requirement, if any, shall be redirected by the Finance Authority to the benefit of the Governmental Unit on a timely basis as provided in Section 5.2 of the Loan Agreement.

To the extent that the Pledged Revenues are insufficient to meet the debt service requirements due on the Loan and other Parity Obligations (as defined in the Loan Agreement) now or hereafter issued or incurred, the amounts intercepted under this Intercept Agreement shall be applied to allow partial payment on a pro-rata basis of the debt service due and owing on the Loan Agreement and other Parity Obligations.

Section 2. Term; Amendments. This Intercept Agreement will remain in full force and effect from its effective date as herein provided until such time as the Loan made pursuant to the Loan Agreement and this Intercept Agreement have been paid in full. Nothing herein shall be deemed in any way to limit or restrict the Governmental Unit from issuing its own obligations, providing its own program or participating in any other program for the financing of public projects which the Governmental Unit may choose to finance. This Intercept Agreement may be amended only by written instrument signed by the parties hereto.

Section 3. Authorization. The execution and performance of the terms of this Intercept Agreement have been authorized and approved by Resolution No. 2016-2017 22 passed and adopted on September 12, 2016 by the Governing Body of the Governmental Unit, which Resolution is in full force and effect on the date hereof.

Section 4. Severability of Invalid Provisions. If any one or more of the provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such provision shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of any of the other provisions hereof.

Section 5. Counterparts. This Intercept Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 6. Further Authorization. The Governmental Unit agrees that the Finance Authority shall do all things necessary or convenient to the implementation of the Program to facilitate the Loan to the Governmental Unit.

Section 7. Effective Date. This Intercept Agreement shall take effect on the Closing Date of the Loan.

Section 8. Initial Intercept Date. As indicated on the Intercept Schedule, the first distribution of the Pledged Revenues that is to be intercepted by the Distributing State Agency under the terms of this Intercept Agreement consist of Pledged Revenues due to the Governmental Unit distributed beginning in July, 2017.

Section 9. Final Intercept Date. Once the Loan has been fully paid off and satisfied, Finance Authority shall provide written notice to the Distributing State Agency to discontinue the interception of the Governmental Unit's Pledged Revenues.

[Signature page follows]

The Loan Agreement permits the Governmental Unit to issue additional bonds or other obligations with a lien on the Pledged Revenues on a parity with or subordinate to the lien of the Loan Agreement on the Pledged Revenues upon satisfaction of the conditions set forth in the Loan Agreement.

16. There is no threatened action, suit, proceeding, inquiry or investigation against the Governmental Unit, at law or in equity, by or before any court, public board or body, nor to the Governmental Unit's knowledge is there any basis therefor, affecting the existence of the Governmental Unit or the titles of its officials to their respective offices, or seeking to prohibit, restrain or enjoin the pledge of revenues or assets of the Governmental Unit pledged or to be pledged to pay the principal, premium, if any, and interest on the Loan Agreement, or in any way materially adversely affecting or questioning: (a) the territorial jurisdiction of the Governmental Unit; (b) the use of the proceeds of the Loan Agreement for the Project and to pay certain costs of the Finance Authority associated with the administration of its public projects revolving fund loan program; (c) the validity or enforceability of the Loan Agreement, the Intercept Agreement or any proceedings of the Governmental Unit taken with respect to the Loan Agreement, the Intercept Agreement or the Resolution; (d) the execution and delivery of the Loan Agreement or the Intercept Agreement; or (e) the power of the Governmental Unit to carry out the transactions contemplated by the Loan Agreement, the Intercept Agreement or the Resolution.

17. The Governmental Unit has complied with all the covenants and satisfied all the conditions on its part to be performed or satisfied at or prior to the date hereof, and the representations and warranties of the Governmental Unit contained in the Loan Agreement and in the Resolution are true and correct as of the date hereof.

18. The Governmental Unit is not in default, and has not been in default within the ten (10) years immediately preceding the date of this Certificate, in the payment of principal of, premium, if any, or interest on any bonds, notes or other obligations which it has issued, assumed

or guaranteed as to payment of principal, premium, if any, or interest except that no representation is made with respect to industrial revenue bonds or conduit bonds payable solely from installment sale or lease payments, loan repayments or other amounts received by the Governmental Unit from private entities.

19. To the best of our knowledge, neither the Chairman of the Board of County Commissioners, the County Manager, the County Clerk, any member of the Governing Body, nor any other officer, employee or other agent of the Governmental Unit is interested (except in the performance of his or her official rights, privileges, powers and duties), directly or indirectly, in the profits of any contract, or job for work, or services to be performed and appertaining to the Project.

20. Regular meetings of the Governing Body have been held in the Commission Chambers at 300 South Third Street, Tucumcari, New Mexico, one of the principal meeting places of the Governing Body.

21. The Governing Body has no rules of procedure which would invalidate or make ineffective the Resolution or other action taken by the Governing Body in connection with the Loan Agreement. Open Meetings Act Resolution No. 16 adopted and approved by the Governing Body on December 14, 2015, establishes notice standards as required by Sections 10-15-1 through 10-15-4, NMSA 1978. Open Meetings Act Resolution No. 16 has not been amended or repealed. All action of the Governing Body with respect to the Loan Agreement, the Intercept Agreement and the Resolution was taken at meetings held in compliance with Open Meetings Act Resolution No. 16.

22. The *Quay County Sun* is a legal newspaper which maintains an office and is of general circulation in the Governmental Unit.

23. The Pledged Revenues from the Fiscal Year immediately preceding the Closing Date were equal to or exceeded, and, on an ongoing basis during each year of the Loan Agreement Term, are reasonably expected to equal or exceed two hundred percent (200%) of the maximum Aggregate Annual Debt Service Requirement.

24. The Pledged Revenues may lawfully be pledged to secure the payment of amounts due under the Loan Agreement.

25. The Chairman of the Board of County Commissioners and the County Clerk, on the date of the signing of the Loan Agreement and the Intercept Agreement and on the date of this Certificate, are the duly chosen, qualified and acting officers of the Governmental Unit authorized to execute such agreements.

26. This Certificate is for the benefit of the Finance Authority.

27. This Certificate may be executed in counterparts.

Paragraphs 1, 2, 3, 5, 6, 7, 8, 9, 10, 11, 13, 14, 16, 17, 18, 20, 21, 22, 24 and 25 are approved and confirmed.

Tim Rose, Esq., Attorney for
Quay County, New Mexico

Governmental Unit reasonably expects that the completion of the Project and expenditure of the Proceeds will proceed with due diligence to completion and that all of the Proceeds will be expended within three (3) years of the date hereof.

The estimated total costs of the Project will not be less than \$100,000.00 plus investment earnings thereon during the acquisition period.

Proceeds in the amount of \$755.67 will be deducted from the Proceeds and paid directly to the Finance Authority as the Processing Fee for the costs of originating and servicing the Loan.

Proceeds in the amount of \$0.33 will be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 of the Loan Agreement.

6. Investment of Proceeds. Except for the investment of the Proceeds in the Program Account established under the Indenture with respect to the Loan Agreement pending the payment of the costs of the Project and in the Finance Authority Debt Service Account established and administered by the Finance Authority pending the payment of debt service on the Loan Agreement, there will be no investment of the Proceeds.

7. Bona Fide Debt Service Fund. Debt service payments on the Loan Agreement will be paid from the Pledged Revenues of the Governmental Unit deposited to the Finance Authority Debt Service Account created with respect to the Loan Agreement. Because the Pledged Revenues of the Governmental Unit for any year will exceed debt service on the Loan Agreement, it is assumed that current debt service paid by the Governmental Unit for deposit in the Finance Authority Debt Service Account will be derived entirely from the current Pledged Revenues. The Finance Authority Debt Service Account will be depleted at least once a year except for an amount not to exceed the greater of the earnings on the Finance Authority Debt Service Account for the immediately preceding bond year or one-twelfth (1/12th) of debt service on the Loan for the immediately preceding bond year. The Governmental Unit has not created or established, nor does it expect to create or establish, any debt service fund, redemption fund, replacement fund, sinking fund or other similar fund which is reasonably expected to be used to pay principal or interest on the Loan Agreement or pledged therefor, except for the Finance Authority Debt Service Account.

8. No Disposition of Project. The undersigned reasonably expect that no part of the Project acquired with the Proceeds will be sold or otherwise disposed of, in whole or in part, during the term of the Loan Agreement.

9. General Tax Covenant. The Governmental Unit has covenanted in the Loan Agreement that no use will be made of the Proceeds, or any funds or accounts of the Governmental Unit which may be deemed to be gross proceeds of the Loan Agreement, which use, if it had been reasonably expected on the date hereof, would have caused the Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. The Governmental Unit has further obligated itself in the Loan Agreement to comply throughout the term of the Loan Agreement with the requirements of Sections 103 and 141

through 150 of the Code and regulations proposed or promulgated with respect thereto. Pursuant to the Loan Agreement, the Governmental Unit shall be liable for any rebatable arbitrage payable pursuant to Sections 103 and 141 through 150 of the Code and regulations proposed or promulgated with respect thereto. Any such liability shall be payable solely from the Pledged Revenues.

10. Private Business Use Limitations. None of the Proceeds will be used by a private business or any entity other than a governmental unit or secured by payments from or property of a private business or any entity other than a governmental unit except pursuant to a management contract which conforms with Revenue Procedure 97-13 of the United States Treasury as modified by Revenue Procedure 2001-39 of the United States Treasury. For purposes of the preceding sentence a governmental unit does not include the United States Government or any agency or instrumentality thereof.

11. No Common Plan of Financing. There are no other obligations which are being issued or sold at substantially the same time as the Loan Agreement pursuant to a common plan of financing with the Loan Agreement and that will be paid out of the Pledged Revenues or will have substantially the same claim to be paid out of the Pledged Revenues as the Loan Agreement.

12. No Federal Guarantees. The Loan is not federally guaranteed within the meaning of Section 149(b) of the Code.

13. Information Filing. Loan Counsel for the Finance Authority, on behalf of the Governmental Unit, will timely file the Form 8038-G with respect to the Loan Agreement attached hereto as Exhibit "A" with the Internal Revenue Service. The Finance Authority has verified certain information necessary to complete the Form 8038-G as shown on the Finance Authority Certificate attached hereto as Exhibit "B".

14. Hedge Bonds. The Loan is not a hedge bond as defined in Section 149 of the Code.

15. No Reimbursement. None of the Proceeds will be used to reimburse the Governmental Unit for costs paid for the Project more than sixty (60) days prior to the date hereof.

16. No Refunding. Proceeds of the Loan are not being used to refund any other obligation of the Governmental Unit.

17. Economic Life of Project. The weighted average maturity of 6.834 years of the Loan Agreement does not exceed 120% of the reasonably expected economic life of the Project, which is ten (10) years.

18. Qualified Tax-Exempt Obligations. The Loan Agreement is a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code. The Governmental Unit represents that the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Governmental Unit during the current calendar year does not exceed

\$10,000,000 and the Governmental Unit will not designate more than \$10,000,000 of “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. For purposes of this Section, “aggregated issuer” means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e).

19. Rebate Exception. The Governmental Unit is a governmental unit with general taxing powers, no part of the Loan Agreement is a private activity bond, ninety-five percent (95%) or more of the proceeds are to be used for local governmental activities of the Governmental Unit and, the aggregate face amount of all tax-exempt obligations issued by the Governmental Unit during the current calendar year is not reasonably expected to exceed \$5,000,000. There are no subordinate entities of the Governmental Unit which are authorized to issue tax-exempt obligations. If the Governmental Unit fails to satisfy all of the provisions of this paragraph 19 for any reason, as provided in the Loan Agreement and consistent with the covenants of the Governmental Unit contained therein, any rebate owed to the United States Treasury will be paid in the amounts and at the times provided in Section 148 of the Code.

20. Record Retention. The Governmental Unit will manage and retain records related to the Loan as follows:

A. Records will be retained for the life of the Loan, including any refunding loans related thereto, plus three (3) years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to the Loan and compliance functions;

B. Basic records relating to the Loan transaction, including transcript documents executed in connection with the issuance of the Loan (i.e., the authorizing documents, Form 8038-G, the tax certificate, and any elections made with respect to the Loan, if applicable), any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T;

C. Records pertaining to the use of Loan-financed facilities by public and private sources including copies of management agreements and research agreements;

D. Records pertaining to expenditures of Loan proceeds including requisitions, appraisal and property purchase contracts, account statements, invoices, payment vouchers, and the final allocation of proceeds to expenditures;

E. Records pertaining to all sources of payment or security for the Loan; and

F. Records pertaining to investments including guaranteed investment contract documents under the Treasury Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

[Signature page follows]

This certificate is being executed and delivered to establish the reasonable expectations of the Governmental Unit for purposes of Sections 103 and 141 through 148 of the Code, and the undersigned officers of the Governmental Unit are the officers of the Governmental Unit charged with the responsibility of entering into the Loan Agreement. The foregoing is based upon the reasonable expectations of the undersigned on the date hereof, and to the best of our knowledge, information and belief, the above expectations are reasonable.

1. The Finance Authority is making the Loan for its own account (and not on behalf of another) in the principal amount of \$100,756, without accrued interest, and has no present intention of reselling or re-offering the Loan, thereby the "purchase price" of the Loan is \$100,756.

Such reliance is hereby authorized and approved.

WHEREAS, Quay County, New Mexico (the "Governmental Unit") pursuant to a Resolution No. 2009-2010 #36 adopted on December 14, 2009 relating to the execution and delivery of the Loan Agreement and the Intercept Agreement (the "2009 Resolution"), executed and delivered a Loan Agreement between the Governmental Unit and the New Mexico Finance Authority (the "Finance Authority") in the aggregate principal amount of \$76,125 (the "2009 Loan Agreement"). The 2009 Loan Agreement is payable from the distribution of State Fire Protection Fund revenues (the "Pledged Revenues") distributed annually by the State Treasurer for the Porter Fire District (the "District").

WHEREAS, the Governmental Unit pursuant to Resolution No. 2016-2017 22 adopted on September 12, 2016 (the "2016 Resolution"), intends to execute and deliver on the date hereof its Finance Authority Loan Agreement in the aggregate principal amount of \$100,756 for the purpose of purchasing a 3,000 gallon tanker for the District (the "2016 Loan Agreement") payable from the Pledged Revenues, as set forth in the 2016 Loan Agreement.

WHEREAS, Section 5.5, "Additional Parity Obligations" of 2009 Loan Agreement provides as follows:

"Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any 12 consecutive months out of the 24 months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been

sufficient to pay an amount representing two hundred percent (200%) of the combined maximum Aggregate Annual Debt Service Requirements coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement."

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

**16-A2473 \$150,000.00 Appropriation Reversion Date: 30-JUN-20
Laws of 2016, Chapter 81, Section 22, Paragraph 154, one hundred fifty thousand dollars (\$150,000) to
plan, design, renovate and construct the district attorney's office in Tucumcari in Quay county;**

The Grantee's total reimbursements shall not exceed the appropriation amount One Hundred Fifty Thousand Dollars (**\$150,000.00**) (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")^[1], if applicable, One Thousand Five Hundred Dollars (**\$1,500.00**), which equals One Hundred Forty-Eight Thousand Five Hundred Dollars (**\$148,500.00**) (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description". The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse^[2] Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the Grantee's legal procurement and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
- (iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement;
- (v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:

[1] The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

[2] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- a. must be approved by the applicable oversight entity (if any) in accordance with law; or
- b. if no oversight entity is required to approve of the transaction, the Department must approve of the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to subparagraph (a) or (b) above, the Department may, in its discretion and unless inconsistent with New Mexico State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submittal of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement as follows:

- a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.

- b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such expenditures.

- c. The Department may, in its absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 3.

- d. The date the Department sends, by mail or email, the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party begin work.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

ARTICLE IV. REVERSION DATE, TERM, EARLY TERMINATION

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on **June 30, 2020**, the Reversion Date, unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be "expended" on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and
- (ii) The Department is, upon the date the Grantee receives written notice given by the Department, suspending issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Paper Periodic Reports

In order that the Department may adequately monitor Project activity, the Grantee shall submit to the Department Paper Periodic Reports for the Project. Paper Periodic Reports shall be submitted on a form prescribed by the Department. The Paper Periodic and Paper Final Report form are attached hereto as Exhibit 1. The Department shall provide the Grantee with a minimum of thirty (30) days' advance written notice of any change to the Periodic Report format or content.

The Paper Periodic Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Paper Final Report for the Project. The Department may, in its discretion, change the reporting period from time to time by giving Grantee a minimum of thirty (30) days' advance, written notice of any change to the reporting period; provided, however, that in no event shall the reporting period be less than one month.

B. Paper Final Report

The Grantee shall submit to the Department a Final Report for the Project. The Final Report shall be submitted on a form provided by the Department and contain such information as the Department may require. The Periodic and Final Report form is attached hereto as Exhibit 1. The Department shall provide Grantee with a minimum of thirty (30) days' advance, written notice of any change to the Final Report format or content. The Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, which ever first occurs.

C. Paperless Reporting

In addition to the paper reports described in subparagraphs A and B of this Article, the Grantee shall report periodic and final Project activity by entering such Project information as the Department may require directly

into a database maintained by the Department. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report on a paperless basis. The Paperless Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Final Report for the Project. The Paperless Final Report along with a Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever ever first occurs.

D. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may (i) request such additional information regarding the Project as it deems necessary and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department. Requests made pursuant to this subparagraph D are in addition to and not in lieu of the periodic and final reporting described in subparagraphs A through C of this article VIII.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 2. Payment requests are subject to the following procedures:

(i) The Grantee must submit one original and one copy of each Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

B. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum of twenty (20) days from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

(ii) The project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, if applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

- (i) The Grantee has the legal authority to receive and expend the Project's funds.
- (ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- (iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.
- (iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- (v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- (vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.
- (vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **Quay County** may immediately terminate this Agreement by giving Contractor written notice of such termination. The **Quay County's** decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the **Quay County**, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the **Quay County** or DFA/LGD."

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the **Quay County** may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the **Quay County**'s only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.
